

## Fabrinet Publishes 2023 Sustainability Report

January 23, 2024

BANGKOK, Thailand--(BUSINESS WIRE)--Jan. 23, 2024-- Fabrinet (NYSE: FN), a leading provider of advanced optical packaging and precision optical, electro-mechanical and electronic manufacturing services to original equipment manufacturers of complex products, today published its Sustainability Report for fiscal year 2023. The report highlights Fabrinet's continued commitment to operating in an ethical, environmentally responsible, and socially supportive manner.

Seamus Grady, Chief Executive Officer of Fabrinet, said "Fabrinet's commitment to community, sustainability and accountability is integral to our ability to drive value for our customers, employees and shareholders. Over the past year, we advanced our sustainability initiatives across multiple fronts, and are proud to share our progress with our stakeholders and the broader community."

The report covers Fabrinet's progress toward sustainability initiatives in fiscal year 2023, including:

- Improving quality of life for our local communities
- Expanding our talent pipeline through internship opportunities
- Upholding our dedication to labor and human rights
- Identifying sustainability opportunities through lean manufacturing
- Reducing our carbon footprint
- Advancing our approach to ESG oversight
