**PROXY STATEMENT
FOR 2012 ANNUAL MEETING OF SHAREHOLDERS**

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND PROCEDURAL MATTERS

Q: Why am I receiving these materials?

A: The Board of Directors of Fabrinet is providing these proxy materials to you in connection with the solicitation of proxies for use at Fabrinet's 2012 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, December 20, 2012, at 9:00 a.m., Pacific time, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth in this proxy statement.

The Annual Meeting will be held at the offices of Wilson Sonsini Goodrich & Rosati, Professional Corporation, located at 650 Page Mill Road, Palo Alto, California 94304.

As a shareholder, you are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

Q: Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the "Notice") to our shareholders of record and beneficial owners. We expect to mail the Notice on or about October 25, 2012.

All shareholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

Q: How can I obtain electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

- View the proxy materials for the Annual Meeting on the Internet; and
- Instruct us to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment.

Q: Can I attend the Annual Meeting?

A: You are invited to attend the Annual Meeting if you were a shareholder of record or a beneficial owner as of October 12, 2012 (the "Record Date"). You should bring photo identification for entrance to the Annual Meeting. The meeting will begin promptly at 9:00 a.m., Pacific time, and you should leave ample time for the check-in procedures. Shareholders may request directions to the offices of Wilson Sonsini Goodrich & Rosati by calling (650) 493-9300.

Table of Contents

Q: Who is entitled to vote at the Annual Meeting?

A: You may vote your Fabrinet ordinary shares if our records show that you owned your shares at the close of business on the Record Date. At the close of business on the Record Date, there were 34,496,237 ordinary shares outstanding and entitled to vote at the Annual Meeting. You may cast one vote for each ordinary share held by you as of the Record Date on all matters presented.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: *Shareholder of Record.* If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, you are considered the “shareholder of record” with respect to those shares, and we have sent the Notice directly to you. As a shareholder of record, you have the right to grant your voting proxy directly to us or to a third party, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a brokerage account or by a bank or nominee, you are considered the “beneficial owner” of shares held in “street name,” and the Notice is being forwarded to you by your broker, bank or nominee (who is considered the shareholder of record with respect to those shares). As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares. Your broker, bank or nominee has enclosed or provided voting instructions for you to use in directing the broker, bank or nominee how to vote your shares. You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a “legal proxy” from your broker, bank or nominee giving you the right to vote the shares at the Annual Meeting.

If you hold your shares through a broker and do not provide your broker with specific voting instructions, your broker will have the discretion to vote your shares only on routine matters. As a result:

- Your broker will not have the authority to exercise discretion to vote your shares with respect to the election of directors, the amendment to the 2010 Performance Incentive Plan to increase the number of authorized shares issuable under the plan, and the advisory vote to approve the compensation paid to our named executive officers because the rules of The New York Stock Exchange (“NYSE”) treat those matters as non-routine.
- Your broker will have the authority to exercise discretion to vote your shares with respect to the ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as Fabrinet’s independent registered public accounting firm for the fiscal year ending June 28, 2013, because NYSE rules treat that matter as routine.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a “legal proxy” from the broker, bank or nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the Annual Meeting, we recommend that you also submit your vote as described in the Notice and as described below, so that your vote will be counted even if you later decide not to attend the meeting.**

Q: How can I vote my shares without attending the Annual Meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a shareholder of record, you may vote by submitting a proxy; please refer to the voting instructions in the Notice or below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or nominee; please refer to the voting instructions provided to you by your broker, bank or nominee.

By Internet – Shareholders of record with Internet access may submit proxies until 11:59 p.m., Eastern time, on December 19, 2012, by following the “Vote by Internet” instructions described in the Notice or by following the instructions at www.proxyvote.com. Most Fabrinet shareholders who hold shares beneficially

[Table of Contents](#)

in street name may vote by accessing the website specified in the voting instructions provided by their brokers, trustees or nominees. If you are a beneficial owner, please check the voting instructions provided by your broker, trustee or nominee for information regarding Internet voting availability.

By telephone – Depending on how your shares are held, you may be able to vote by telephone. If this option is available to you, you will have received information with the Notice or the voting instructions provided by your broker, bank or nominee explaining this procedure.

By mail – Shareholders of record may request a paper proxy card from Fabrinet and indicate their vote by completing, signing and dating the card where indicated and by returning it in the prepaid envelope that will be included with the proxy card. Please follow the procedures outlined in the Notice to request a paper proxy card.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: The presence of the holders of at least one-third of the total shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Such shareholders are counted as present at the meeting if (1) they are present in person at the Annual Meeting or (2) have properly submitted a proxy.

Abstentions and broker “non-votes” are counted as present and entitled to vote and are, therefore, included for the purposes of determining whether a quorum is present at the Annual Meeting.

A broker “non-vote” occurs when a nominee holding shares for a beneficial owner has not received voting instructions from the beneficial owner, and the broker does not have, or declines to exercise, discretionary authority to vote those shares.

Q: What proposals will be voted on at the Annual Meeting?

A: The proposals scheduled to be voted on at the Annual Meeting are:

- The election of two Class III directors recommended by the Board of Directors to serve for a term of three years or until their respective successors are duly elected and qualified;
- The amendment of our 2010 Performance Incentive Plan to increase the number of authorized shares issuable under the plan by 3,700,000 ordinary shares;
- An advisory vote to approve the compensation paid to our named executive officers; and
- The ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for the fiscal year ending June 28, 2013.

Q: What is the voting requirement to approve each of the proposals and how are votes counted?

A: A plurality of the votes cast is required for the election of directors (Proposal One). You may vote “FOR” or “WITHHOLD” on each of the nominees for election as director. The two nominees for director receiving the highest number of affirmative votes will be elected as directors. Abstentions and broker non-votes will not affect the outcome of the election.

The affirmative vote of a majority of the votes cast is required to (1) approve an amendment to our 2010 Performance Incentive Plan to increase the number of authorized shares issuable under the plan by 3,700,000 ordinary shares (Proposal Two), (2) approve, on an advisory basis, the compensation paid to our named executive officers (Proposal Three), and (3) ratify the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for the fiscal year ending June 28, 2013 (Proposal Four). You may vote “FOR,” “AGAINST” or “ABSTAIN” on these proposals. Abstentions have the same effect as votes against these proposals. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of voting results on these proposals.

All shares entitled to vote and represented by properly submitted proxies received prior to the Annual Meeting (and not revoked) will be voted at the Annual Meeting in accordance with the instructions indicated

[Table of Contents](#)

by such proxy. If no instructions are indicated on such proxy, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that you vote your shares:

- “FOR” each of the two nominees recommended by the Board of Directors for election as Class III directors (Proposal One);
- “FOR” the amendment of our 2010 Performance Incentive Plan to increase the number of authorized shares issuable under the plan by 3,700,000 ordinary shares (Proposal Two);
- “FOR” the approval, on an advisory basis, of the compensation paid to our named executive officers (Proposal Three); and
- “FOR” the ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for the fiscal year ending June 28, 2013 (Proposal Four).

Q: What happens if additional matters are presented at the Annual Meeting?

A: If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named as proxy holders will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Q: Can I change my vote?

A: Subject to any rules your broker, bank or nominee may have, you may change your vote at any time before your proxy is voted at the Annual Meeting.

If you are the shareholder of record, you may change your vote (1) by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the voting methods described above (and until the applicable deadline for each method), (2) by providing a written notice of revocation to our Corporate Secretary, c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114 prior to your shares being voted, or (3) by attending the Annual Meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

If you are a beneficial owner of shares held in street name, you may change your vote by (1) submitting new voting instructions to your broker, bank or nominee, or (2) if you have obtained a legal proxy from your broker, bank or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Q: What happens if I decide to attend the Annual Meeting but I have already voted or submitted a proxy card covering my shares?

A: Subject to any rules your broker, bank or nominee may have, you may attend the Annual Meeting and vote in person even if you have already voted or submitted a proxy card. Any previous votes that were submitted by you will be superseded by the vote you cast at the Annual Meeting. Please be aware that attendance at the Annual Meeting will not, by itself, revoke a proxy.

If a broker, bank or nominee beneficially holds your shares in street name and you wish to attend the Annual Meeting and vote in person, you must obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares.

Q: What should I do if I receive more than one set of voting materials?

A: If you received more than one Notice, voting instruction card or set of proxy materials, your shares are registered in more than one name or brokerage account. Please follow the instructions on each Notice or voting instruction card that you receive to ensure that all of your shares are voted.

[Table of Contents](#)

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Fabrinet or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide written comments on their proxy cards, which may be forwarded to Fabrinet's management.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Form 8-K filed with the SEC within four business days after the Annual Meeting, which will also be available in the "Investors—Financials—SEC Filings" section of our website at www.fabrinet.com.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. We may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners for their reasonable expenses in forwarding solicitation material to such beneficial owners. Our directors, officers and employees may also solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation.

If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including recommendations of director candidates, for consideration at future shareholder meetings.

For inclusion in Fabrinet's proxy materials – Shareholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of shareholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. In order to be included in the proxy statement for our 2013 annual meeting of shareholders, shareholder proposals must be received by our Corporate Secretary no later than June 27, 2013, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

To be brought before an annual meeting – In addition, our memorandum and articles of association establish an advance notice procedure for shareholders who wish to present certain matters before an annual meeting of shareholders.

Nominations for the election of directors may be made only (1) by or at the direction of the Board of Directors, or (2) by a shareholder who has delivered written notice to our Corporate Secretary within the Notice Period (as defined below) and who was a shareholder at the time of such notice and as of the record date for such meeting. The notice must contain specified information about the nominees and about the shareholder proposing such nominations.

Our memorandum and articles of association also provide that the only business that may be conducted at an annual meeting is business that is (1) properly brought before the meeting pursuant to our proxy materials with respect to such meeting, (2) properly brought before the meeting by or at the direction of the Board of Directors, or (3) properly brought before the meeting by a shareholder who has delivered written notice to our Corporate Secretary, c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114 within the Notice Period (as defined below) and who was a shareholder at the time of such notice and as of the record date for such meeting. The notice must contain specified information about the matters to be brought before such meeting and about the shareholder proposing such matters.

[Table of Contents](#)

The “Notice Period” is defined as that period not less than 45 days nor more than 75 days prior to the one year anniversary of the date on which we first mailed our proxy materials or a notice of availability of proxy materials (whichever is earlier) to shareholders in connection with the preceding year’s annual meeting of shareholders. As a result, the Notice Period for the 2013 annual meeting of shareholders will start on August 11, 2013 and end on September 10, 2013.

If a shareholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we need not present the proposal for vote at such meeting.

A copy of the full text of the provisions of our memorandum and articles of association discussed above may be obtained by writing to our Corporate Secretary, c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114 or by accessing Fabrinet’s filings on the SEC’s website at www.sec.gov. All notices of proposals by shareholders, whether or not included in our proxy materials, should be sent to our Corporate Secretary, c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114.

Q: How may I obtain a separate set of proxy materials or the 2012 Annual Report?

A: If you share an address with another shareholder, each shareholder may not receive a separate copy of our proxy materials and 2012 Annual Report. We will promptly deliver upon written or oral request a separate copy of our proxy materials and 2012 Annual Report to any shareholder at a shared address to which a single copy of the documents was delivered. Shareholders may request additional copies of our proxy materials and 2012 Annual Report by contacting our investor relations at (203) 990-0148 or writing to Fabrinet, 13 Arcadia Road, Suite 7, Old Greenwich, Connecticut 06870, Attention: John Marchetti, Chief Strategy Officer. Shareholders who share an address and receive multiple copies of our proxy materials and 2012 Annual Report can also request to receive a single copy by following the instructions above.

FISCAL YEAR END

This proxy statement provides information about the matters to be voted on at the 2012 Annual Meeting and additional information about us and our executive officers and directors. Some of the information is provided as of the end of our 2010, 2011 or 2012 fiscal years, and some information is provided as of a more recent date. Each of our fiscal years ends on the last Friday of June. Our 2010 fiscal year ended on June 25, 2010, our 2011 fiscal year ended on June 24, 2011, and our 2012 fiscal year ended on June 29, 2012.

PROPOSAL ONE
ELECTION OF DIRECTORS

General

Our Board of Directors currently consists of eight directors. Our amended and restated memorandum and articles of association provide that the number of our directors will be fixed from time to time by our Board of Directors but may not consist of more than 15 directors. Our Board of Directors is divided into three classes of directors, each serving staggered three-year terms. Upon expiration of the term of a class of directors, directors for that class will be elected for three-year terms at the annual meeting of shareholders in the year in which that term expires. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

Nominees

Two candidates have been nominated for election as Class III directors at the Annual Meeting for a three-year term expiring in 2015. Upon recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated **David T. Mitchell** and **Dr. William J. Perry** for election as Class III directors. Biographical information about each of the nominees is contained below.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unavailable to serve. In the event any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be proposed by the Nominating and Corporate Governance Committee and designated by the present Board of Directors to fill the vacancy.

If you sign your proxy or voting instruction card or vote by telephone or over the Internet but do not give instructions with respect to the election of directors, your shares will be voted for the two persons recommended by our Board of Directors. If you wish to give specific instructions with respect to the election of directors, you may do so by indicating your instructions on your proxy or voting instruction card or when you vote by telephone or over the Internet. If you do not give voting instructions to your broker, your broker will leave your shares unvoted on this matter.

Recommendation of the Board of Directors

The Board of Directors recommends a vote “**FOR**” the election of David T. Mitchell and Dr. William J. Perry to the Board of Directors.

PROPOSAL TWO

AMENDMENT TO FABRINET'S 2010 PERFORMANCE INCENTIVE PLAN

General

We are asking our shareholders to approve an amendment to our 2010 Performance Incentive Plan (the "2010 Plan") to add 3,700,000 ordinary shares to the total number of shares reserved for issuance under the 2010 Plan. In October 2012, the Compensation Committee approved an amendment to the 2010 Plan, subject to approval from our shareholders at the Annual Meeting.

We believe that the approval of the amendment to the 2010 Plan is essential to our continued success as our employees are our most valuable assets and the awards permitted to be granted under the 2010 Plan are vital to our ability to attract and retain outstanding individuals in the competitive labor markets in which we compete. These awards also are crucial to our ability to motivate our employees to achieve Fabrinet's goals. Our Board of Directors believes that the approval of the amendment to the 2010 Plan is in the best interests of Fabrinet and our shareholders.

The following is a summary of the principal features of the 2010 Plan, as amended, and its operation. The summary is qualified in its entirety by reference to the 2010 Plan itself set forth in Appendix A.

Summary of the 2010 Performance Incentive Plan

General

The purpose of the 2010 Plan is to promote our success and to increase shareholder value by providing an additional means of compensation through the grant of awards to attract, motivate, retain and reward selected employees and other eligible persons. Awards under the 2010 Plan may be in the form of share options, share appreciation rights ("SARs"), restricted shares, share bonuses, performance shares, share units, phantom shares, dividend equivalents and other similar rights to purchase or acquire our ordinary shares. Employees, officers, directors and consultants that provide services to us or one of our subsidiaries are eligible to receive awards under the 2010 Plan. As of September 28, 2012, we had approximately 150 employees (including 5 executive officers) and 7 non-employee directors, who would be eligible to receive awards under the 2010 Plan.

Administration of the 2010 Plan

Our Board of Directors, or a committee of directors appointed by our Board of Directors, has the authority to administer the 2010 Plan (the "Plan Administrator"). The Plan Administrator has broad authority to:

- determine eligibility;
- select eligible participants and determine the types of awards that they are to receive;
- determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award;
- approve the form of award agreements;
- cancel, modify or waive our rights with respect to, or modify, discontinue, suspend or terminate any or all outstanding awards, subject to any required consents;
- construe and interpret the terms of the 2010 Plan and any agreements under the 2010 Plan;
- accelerate or extend the vesting or exercisability or extend the term of any or all outstanding awards;
- subject to the other provisions of the 2010 Plan, make certain adjustments to an outstanding award (provided that no such adjustment may constitute a repricing of any option or SAR unless approved by

Table of Contents

- our shareholders) and authorize the conversion, succession or substitution of an award upon the occurrence of certain corporate transactions;
- allow the purchase price of an award or ordinary shares to be paid by means of any lawful consideration as the Plan Administrator determines; and
- determine the fair market value of an ordinary share.

The Plan Administrator may delegate authority to officers or employees of Fabrinet or its subsidiaries to determine award recipients, the number of shares to be granted under an award, and other terms and conditions of awards. The Plan Administrator also may establish sub-plans under the 2010 Plan to specify the terms and conditions of awards granted to service providers outside of the United States. Actions taken by us or the Plan Administrator with respect to the 2010 Plan will be conclusive and binding upon all persons.

Number of Ordinary Shares Available Under the 2010 Plan

A total of 2,000,000 ordinary shares have been authorized for issuance with respect to awards granted under the 2010 Plan, plus any shares subject to share options under our 1999 Share Option Plan (the "1999 Plan") outstanding as of June 24, 2010, that expire, are canceled or terminate after June 24, 2010, without being exercised. We are asking shareholders to approve an increase of 3,700,000 shares in the number of ordinary shares that may be issued under the 2010 Plan. If shareholders approve the amendment to the 2010 Plan, an aggregate of 5,700,000 ordinary shares, plus any shares subject to share options under the 1999 Plan outstanding as of June 24, 2010, that expire, are canceled or terminate after June 24, 2010, without being exercised, would be available for issuance under the 2010 Plan; and the maximum number of ordinary shares that may be delivered pursuant to incentive stock options granted under the 2010 Plan would be 5,700,000 ordinary shares (as increased by 3,700,000 shares pursuant to the amendment to the 2010 Plan).

Only the actual number of shares issued pursuant to an award will reduce the number of shares available for issuance under the 2010 Plan. Awards settled in cash or a form other than ordinary shares will not reduce the number of shares available for issuance under the 2010 Plan. Shares subject to awards that expire or are canceled or terminated, forfeited, fail to vest, or are not paid or delivered under the 2010 Plan will be available for subsequent awards under the 2010 Plan. Shares exchanged or withheld by us as payment of the exercise price of awards or related tax withholding obligations will be available for subsequent awards under the 2010 Plan. Shares deliverable under the 2010 Plan will be our authorized but unissued ordinary shares.

The number and kind of shares available under the 2010 Plan and any outstanding awards, as well as the exercise or purchase prices of awards, will be subject to equitable and proportionate adjustment in the event of certain reorganizations, mergers, combinations, recapitalizations, share splits, share dividends or other similar, unusual or extraordinary corporate transaction affecting our ordinary shares.

Awards

Each award under the 2010 Plan will be evidenced by a written or electronic award agreement between us and the award recipient that specifies the terms and conditions of the award. Awards generally may be paid in cash, services rendered to us, or any other lawful consideration as the Plan Administrator permits.

Share Options and SARs

The exercise prices of share options and the base prices of SARs granted under the 2010 Plan will not be less than the fair market value of our ordinary shares on the date of grant. Incentive stock options may be granted only to employees and, as to any 10% owner of our ordinary shares on the date of grant, must have an exercise price that is at least 110% of the fair market value of our ordinary shares. The maximum term of share options and SARs is 10 years, except that incentive stock options granted to any 10% owner of our ordinary shares may have a maximum term of 5 years.

[Table of Contents](#)

Generally, the fair market value of our ordinary shares is the last price (in regular trading) for an ordinary share as provided by the Financial Industry Regulatory Authority (“FINRA”) through the NYSE, or if no sales of our ordinary shares were reported on such date in question, such last price with respect to the next preceding day on which sales were reported for our ordinary shares. However, the Plan Administrator may provide that the fair market value is equal to the last price for an ordinary share on the last trading day preceding the date in question or the average of the high and low trading prices of an ordinary share for the date in question or the most recent trading day. On October 12, 2012, the closing price of our ordinary shares on the NYSE was \$10.07 per share.

Other Awards

Restricted share awards and other awards may be issued under the 2010 Plan. The Plan Administrator will determine the terms and conditions of such awards, including whether such awards may be purchased at a fixed or variable price or ratio related to our ordinary shares, or upon the passage of time, the occurrence of one or more events or the achievement of performance criteria or other conditions, or a combination of any of these requirements.

Deferrals

The Plan Administrator may provide for the deferred payment of awards and may determine the terms applicable to deferrals.

Transferability of Awards

Awards under the 2010 Plan generally will not be transferable other than by will or the laws of descent and distribution, and may be exercised only by the award holder during his or her lifetime, except that the Plan Administrator may authorize certain transfers for tax or estate planning purposes.

Merger or Other Corporation Transaction

In the event of a merger, consolidation, or other reorganization, extraordinary dividend distribution affecting our ordinary shares, sale of substantially all of our business, ordinary shares or assets, our dissolution, or any other similar transaction in which we do not survive (or do not survive as a public company in respect of our ordinary shares), the Plan Administrator may allow for a cash payment in settlement of, or for the assumption, substitution or exchange of awards or cash, securities or property to be delivered to the award holder based on the consideration payable to shareholders upon such transaction. If the Plan Administrator has not made such provision, then each award granted under our 2010 Plan generally will become fully vested and will terminate at the time of such transaction, provided that holders of share options and SARs are given reasonable advance notice and reasonable opportunity to exercise their awards. However, a transaction will not be deemed to occur with respect to award holders who are subject to U.S. income taxation unless the transaction qualifies as a “change in control” within the meaning of Internal Revenue Code Section 409A.

Unless expressly set forth otherwise in the award agreement or other agreement entered into between the award holder and us or a severance program sponsored by us, awards will not accelerate vesting if doing so will result in the non-deductibility of the awards for Fabrinet under Internal Revenue Code Section 280G (i.e., golden parachute payments).

Amendment and Termination of the 2010 Plan

Our Board of Directors may amend or terminate the 2010 Plan at any time, but no such action will affect any outstanding award in any manner materially adverse to an award holder without the consent of such award holder. Plan amendments will be submitted to shareholders for their approval to the extent required by or advisable under applicable law or any applicable listing agency. The 2010 Plan is not exclusive—our Board of

[Table of Contents](#)

Directors and Compensation Committee may grant equity and performance incentives or other compensation, in shares or cash, under other plans or authority.

The 2010 Plan will terminate in June 2020, unless earlier terminated by our Board of Directors. However, the Plan Administrator will retain its authority until all outstanding awards are exercised or terminated.

Number of Awards Granted to Employees and Directors

The number of awards that an employee, director or consultant may receive under the 2010 Plan is at the discretion of the Plan Administrator and, therefore, cannot be determined in advance. The following table sets forth information with respect to the grant of options and restricted share units under the 2010 Plan during fiscal 2012 (no other type of award was granted during this time):

Summary of U.S. Federal Income Tax Consequences

The following paragraphs are a summary of the general federal income tax consequences to U.S. taxpayers and Fabrinet of equity awards granted under the 2010 Plan. Tax consequences for any particular individual may be different.

Nonqualified Stock Options

No taxable income is reportable when a nonqualified stock option with an exercise price equal to the fair market value of the underlying stock on the date of grant is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the excess of the fair market value (on the exercise date) of the shares purchased over the exercise price of the option. Any taxable income recognized in connection with an option exercise by an employee of Fabrinet is subject to tax withholding by Fabrinet. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

Incentive Stock Options

No taxable income is reportable when an incentive stock option is granted or exercised (except for purposes of the alternative minimum tax, in which case the exercise of the award may affect the determination of the alternative minimum tax). If the participant exercises the option and then later sells or otherwise disposes of the

[Table of Contents](#)

shares more than two years after the grant date and more than one year after the exercise date, the difference between the sale price and the exercise price will be taxed as capital gain or loss. If the participant exercises the option and then later sells or otherwise disposes of the shares before the end of the two- or one-year holding periods described above, he or she generally will have ordinary income at the time of the sale equal to the fair market value of the shares on the exercise date (or the sale price, if less) minus the exercise price of the option. Any additional gain would be taxable as capital gain.

Share Appreciation Rights

No taxable income is reportable when a share appreciation right with an exercise price equal to the fair market value of the underlying share on the date of grant is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received and the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

Other Awards

A participant generally will not have taxable income at the time an award of restricted shares, share units, performance shares, phantom shares, dividend equivalents, or share bonuses are granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the award becomes either (i) freely transferable, or (ii) no longer subject to substantial risk of forfeiture. However, the recipient of a restricted share award may elect to recognize income at the time he or she receives the award in an amount equal to the fair market value of the shares underlying the award (less any cash paid for the shares) on the date the award is granted.

Tax Effect for Fabrinet

Fabrinet may be entitled to a tax deduction in connection with an award under the 2010 Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to our chief executive officer and other "covered employees" as determined under Section 162(m) of the Internal Revenue Code and applicable guidance.

Section 409A

Section 409A of the Internal Revenue Code contains requirements applicable to non-qualified deferred compensation arrangements. These include requirements with respect to an individual's election to defer compensation and the individual's selection of the timing and form of distribution of the deferred compensation. Section 409A also generally provides that distributions must be made on or following the occurrence of certain events (e.g., the individual's separation from service, a predetermined date or the individual's death). Section 409A imposes restrictions on an individual's ability to change his or her distribution timing or form after the compensation has been deferred. For certain individuals who are officers, Section 409A requires that such individual's distribution commence no earlier than six months after such officer's separation from service.

Awards granted under the 2010 Plan with a deferral feature will be subject to the requirements of Section 409A. If an award is subject to and fails to satisfy the requirements of Section 409A, the recipient of that award may recognize ordinary income on the amounts deferred under the award, to the extent vested, which may be prior to when the compensation is actually or constructively received. Also, if an award that is subject to Section 409A fails to comply with Section 409A's provisions, Section 409A imposes an additional 20% federal income tax on compensation recognized as ordinary income, as well as interest on such deferred compensation. Certain states, including California, have similar laws.

[Table of Contents](#)

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON THE PARTICIPANT AND FABRINET WITH RESPECT TO AWARDS UNDER THE 2010 PLAN AND DOES NOT PURPORT TO BE COMPLETE, AND REFERENCE SHOULD BE MADE TO THE APPLICABLE PROVISIONS OF THE INTERNAL REVENUE CODE. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE TAX CONSEQUENCES OF A PARTICIPANT'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR NON-U.S. JURISDICTION IN WHICH THE EMPLOYEE OR CONSULTANT MAY RESIDE.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **"FOR"** the amendment of our 2010 Performance Incentive Plan to increase the number of authorized shares issuable under the plan by 3,700,000 ordinary shares.

PROPOSAL THREE

ADVISORY VOTE TO APPROVE COMPENSATION PAID TO NAMED EXECUTIVE OFFICERS

General

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and Section 14A of the Exchange Act enables shareholders to vote to approve, on an advisory or non-binding basis, the compensation of our named executive officers (or “Named Officers”) as disclosed in this proxy statement in accordance with rules of the SEC.

As described in detail under the heading “Executive Compensation — Compensation Discussion and Analysis,” Fabrinet’s compensation philosophy is to provide competitive compensation opportunities to attract, retain and motivate qualified executives, and to align the interests of executives with the interests of shareholders. Fabrinet has designed its compensation programs to encourage the achievement of overall financial results, including consistent revenue growth and profitability, and to encourage role specific individual contributions by our Named Officers.

We urge shareholders to read the “Compensation Discussion and Analysis” in this proxy statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the compensation tables and the narrative discussion following the compensation tables. We are asking for shareholder approval, on an advisory basis, of the compensation paid to our Named Officers as disclosed in this proxy statement in accordance with SEC rules. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Officers and the policies and practices described in this proxy statement.

While this advisory vote to approve executive compensation is non-binding, our Board of Directors and the Compensation Committee value the opinions of shareholders and, to the extent there is any significant vote against the Named Officer compensation as disclosed in this proxy statement, will consider those shareholders’ concerns and evaluate whether any actions are necessary to address those concerns.

Accordingly, pursuant to Section 14A of the Exchange Act, you are being asked to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of Fabrinet’s named executive officers, as disclosed in Fabrinet’s Proxy Statement for the 2012 Annual Meeting of Shareholders pursuant to the executive compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables, and related narrative disclosures.”

Unless our Board of Directors modifies its policy on the frequency of holding “say on pay” advisory votes, the next “say on pay” advisory vote will occur at our 2013 annual meeting of shareholders.

Recommendation of the Board of Directors

The Board of Directors recommends a vote “**FOR**” the approval of the compensation paid to our Named Officers.

PROPOSAL FOUR
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

The Audit Committee has appointed PricewaterhouseCoopers ABAS Ltd. (“PWC”) as our independent registered public accounting firm for our fiscal year ending June 28, 2013. Although ratification by shareholders is not required by any applicable legal requirements, our Board of Directors has determined that it is desirable to request ratification of this selection by our shareholders. Notwithstanding its selection, the Audit Committee, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of Fabrinet and its shareholders. If our shareholders do not ratify the appointment of PWC, the Audit Committee may reconsider its selection.

A representative of PWC is expected to be present at the meeting, will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions.

The independent registered public accounting firm is responsible for auditing the financial statements. It is the responsibility of the Audit Committee to oversee these activities.

The Audit Committee has:

- Reviewed and discussed the audited financial statements with management and with PricewaterhouseCoopers ABAS Ltd., our independent registered public accounting firm;

Based upon these discussions and review, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended June 29, 2012 for filing with the United States Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee of the Board of Directors.

CORPORATE GOVERNANCE MATTERS

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines to establish the corporate governance policies pursuant to which our Board of Directors intends to conduct its oversight of our business in accordance with its fiduciary duties. The Corporate Governance Guidelines are available in the “Investors—Governance” section of our website at www.fabrinet.com.

Code of Business Conduct

We are committed to maintaining the highest standards of ethical conduct, with business practices and principles of behavior that support this commitment. Accordingly, our Board of Directors has adopted a Code of Business Conduct, which is applicable to all of our directors, officers (including our principal executive officer and senior financial and accounting officers) and employees. The Code of Business Conduct is available in the “Investors—Governance” section of our website at www.fabrinet.com. We will disclose on our website any amendments to the Code of Business Conduct, as well as any waivers, that are required to be disclosed by SEC or NYSE rules.

Board Leadership Structure

Mr. Mitchell currently serves as chairman of our Board of Directors and as our chief executive officer. Our Corporate Governance Guidelines provide that our Board of Directors will fill the chairman and chief executive officer (CEO) positions based upon what it believes is in our best interests at any point in time. Currently, our Board of Directors does not require separation of the chairman and CEO positions. Our Board of Directors believes that as CEO, Mr. Mitchell is in the best position to direct the focus and attention of our Board of Directors to the areas most relevant for us and our shareholders, as Mr. Mitchell is the most familiar with our business, industry and strategic priorities. By combining the role of chairman and CEO, Mr. Mitchell is able to provide strong and valuable leadership for us both internally and externally.

In addition, our Corporate Governance Guidelines provide that if the CEO is also the chairman, our Board of Directors shall select, at its first regular meeting following each annual shareholder meeting, a lead independent director. Rollance Olson has served as our lead independent director since January 2011. The lead independent director’s duties include coordinating the activities of the independent and other non-employee directors, coordinating the agenda for and moderating sessions of the independent and other non-employee directors, and facilitating communications among our entire Board of Directors.

Our independent directors generally meet in executive session at each regularly scheduled meeting of our Board of Directors, and at such other times as necessary or appropriate as determined by the independent directors. Our lead independent director presides at such executive sessions of the Board of Directors.

Risk Oversight

Our Board of Directors is responsible for the oversight of our enterprise risk management. Together with its committees, our Board of Directors ensures that any material risks relevant to us or our business are appropriately considered and addressed. Our management team is responsible for day-to-day risk management. Management’s responsibilities include identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial and operating levels and the development of processes for mitigating these risks, and our Board of Directors, together with its committees, oversees management in its execution of these responsibilities. At periodic meetings of our Board of Directors and board committees and in other meetings and discussions, management reports to and seeks guidance from our Board of Directors and its committees, as applicable, with respect to matters that could affect our business. In addition, our general counsel and our outside

[Table of Contents](#)

corporate counsel provide reports of legal risks to the Audit Committee and our Board of Directors. Similarly, our chief financial officer provides reports to the Audit Committee concerning financial, tax and audit related risks. In addition, the Audit Committee receives periodic reports from management on our compliance programs and efforts, investment policy and practices.

Our Board of Directors reviews the strategic, financial and operational risks inherent in our business through its consideration of the various matters presented to our Board of Directors or its committees by management for review or approval. Furthermore, each board committee regularly reviews and evaluates various aspects of enterprise risk as part of its specific functions and responsibilities delegated by our Board of Directors. The Audit Committee considers risk in connection with its oversight of our financial review and reporting processes and regulatory and corporate compliance matters. In addition, the Audit Committee is responsible for the oversight and review of certain risk management policies, including our insurance, investment and business continuity policies. The Compensation Committee considers risk in connection with its oversight of the design and administration of our compensation policies, plans and programs. The Nominating and Corporate Governance Committee considers risk in connection with its oversight of our governance structure, policies and processes, including conflicts of interest (other than related party transactions reviewed by the Audit Committee).

We believe that our Board of Directors' role is consistent with our leadership structure, with our CEO and management primarily responsible for enterprise risk management and our Board of Directors and its committees providing oversight of such efforts.

Contacting our Board of Directors

Shareholders and other interested parties may communicate with our lead independent director by emailing leadindependentdirector@fabrinet.com. Communications received at this email address are automatically routed directly to our lead independent director. Shareholders and other interested parties who wish to communicate with our Board of Directors may do so by sending an email to board@fabrinet.com or a written communication addressed to Fabrinet, c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114, Attention: Board of Directors. Our general counsel reviews all incoming communications from shareholders and other interested parties (except for communications sent directly to the lead independent director, mass mailings, product complaints or inquiries, job inquiries, business solicitations and patently offensive or otherwise inappropriate material) and, if appropriate, routes such communications to the appropriate member(s) of our Board of Directors, or if none is specified, to the Chairman of the Board.

Attendance at Annual Meetings of Shareholders by our Board of Directors

Although we do not have a formal policy regarding attendance by members of our Board of Directors at our annual meeting of shareholders, we encourage, but do not require, directors to attend. Four directors attended our 2011 annual meeting of shareholders.

Director Independence

Our Board of Directors has reviewed the independence of each director and considered whether any director has a material relationship with us that could compromise his ability to exercise independent judgment in carrying out his responsibilities. As a result of this review, our Board of Directors determined that Dr. Bahrami, Mr. Christensen, Mr. Kelly, Dr. Levinson, Mr. Olson, Dr. Perry and Mr. Pulges, representing seven of our eight directors, are independent within the meaning of the NYSE and SEC director independence standards, as currently in effect. Our board's independence determination was based on information provided by our directors and discussions among our officers and directors.

Board Meetings and Committees

During fiscal 2012, our Board of Directors held five meetings and also took certain actions by written consent. Each of our directors attended at least 75% of the meetings of our Board of Directors and the

[Table of Contents](#)

committees on which he or she served during fiscal 2012. Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which has the composition and responsibilities described below.

Audit Committee

The Audit Committee currently consists of Messrs. Christensen, Kelly (chairman) and Pulges, each of whom is “independent” within the meaning of NYSE and SEC rules. Our Board of Directors has determined that Mr. Kelly qualifies as an “audit committee financial expert” under SEC rules. The Audit Committee held four meetings during fiscal 2012.

Among other responsibilities, the Audit Committee (1) oversees our accounting and financial reporting processes and the audit of our financial statements, (2) assists our Board of Directors in overseeing the integrity of our financial statements (including, without limitation, internal control over financial reporting), (3) oversees our compliance with ethics policies and legal and regulatory requirements, (4) oversees the performance of our independent auditors, (5) prepares the disclosure required by applicable law and SEC rules, and (6) provides to our Board of Directors such information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require the attention of our Board of Directors. The Audit Committee acts pursuant to a written charter adopted by our Board of Directors, which is available in the “Investors—Governance” section of our website at www.fabrinet.com.

The Audit Committee report is included in this proxy statement on page 22.

Compensation Committee

The Compensation Committee currently consists of Dr. Levinson (chairman) and Mr. Pulges, each of whom is “independent” within the meaning of NYSE rules. In addition, our Board of Directors has determined that Dr. Levinson and Mr. Pulges meet the requirements of the non-employee director definition of Rule 16b-3 promulgated under the Exchange Act and the outside director definition of Section 162(m) of the Internal Revenue Code, as amended. The Compensation Committee held six meetings during fiscal 2012.

Among other responsibilities, the Compensation Committee (1) develops, reviews and approves our overall compensation policies and goals, including policies and forms of compensation provided to our directors and executive officers, (2) monitors and reviews matters related to succession planning for our executives officers, (3) administers our equity compensation plans, and (4) produces an annual report on executive officer compensation for inclusion in our annual proxy statement. The Compensation Committee acts pursuant to a written charter adopted by our Board of Directors, which is available in the “Investors—Governance” section of our website at www.fabrinet.com.

The Compensation Committee report is included in this proxy statement on page 38.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of Dr. Bahrami, Mr. Olson and Dr. Perry (chairman), each of whom is “independent” within the meaning of the NYSE rules. Dr. Bahrami joined the Nominating and Corporate Governance Committee upon her appointment to our Board of Directors in August 2012. The Nominating and Corporate Governance Committee held four meetings during fiscal 2012.

Among other responsibilities, the Nominating and Corporate Governance Committee (1) assists our Board of Directors in identifying prospective director nominees, (2) recommends candidates for election to our Board of Directors at each annual meeting of shareholders, (3) develops and recommends corporate governance principles, (4) reviews and recommends directors to serve on each board committee, and (5) oversees the annual evaluation

[Table of Contents](#)

of our Board of Directors, board committees and management. The Nominating and Corporate Governance Committee acts pursuant to a written charter adopted by our Board of Directors, which is available in the “Investors—Governance” section of our website at www.fabrinet.com.

The Nominating and Corporate Governance Committee will consider recommendations of candidates for election to our Board of Directors submitted by shareholders of Fabrinet; for more information, see “Process for Recommending Candidates for Election to the Board of Directors” below.

Share Ownership Guidelines

We have adopted share ownership guidelines for our directors and executive officers. For information regarding such guidelines, see the section of this proxy statement entitled “Executive Compensation – Compensation Discussion and Analysis – Share Ownership Guidelines.”

Compensation Committee Interlocks and Insider Participation

During fiscal 2012, Dr. Levinson and Mr. Pulges served as members of the Compensation Committee. None of the members of the Compensation Committee is or has in the past served as an officer or employee of Fabrinet. None of our executive officers serves as a member of the Board of Directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Process for Recommending Candidates for Election to the Board of Directors

The Nominating and Corporate Governance Committee is responsible for, among other things, determining the criteria for membership to our Board of Directors and recommending candidates for election to our Board of Directors. The Nominating and Corporate Governance Committee will consider recommendations from shareholders for candidates to serve on our Board of Directors. There are no differences in the manner by which the Nominating and Corporate Governance Committee evaluates nominees for director based on whether the nominee is recommended by a shareholder or our Board of Directors.

Shareholder Recommendations and Nominees

Shareholder recommendations for candidates to our Board of Directors must be directed in writing to our Corporate Secretary, c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114 and must include (1) the candidate’s name, age, business address and residence address, (2) the candidate’s principal occupation or employment, (3) the class and number of shares that are held of record or beneficially owned by the candidate and any derivative positions held or beneficially held by the candidate, (4) whether and the extent to which any hedging or other transaction or series of transactions has been entered into by or on behalf of the candidate with respect to any of our securities, and a description of any other agreement, arrangement or understanding (including any short position or any borrowing or lending of our shares), the effect or intent of which is to mitigate loss to, or to manage the risk or benefit of share price changes for, or to increase or decrease the voting power of the candidate, (5) a description of all arrangements or understandings between the nominating shareholder and each candidate and any other person or persons pursuant to which the nominations are to be made by the nominating shareholder, (6) a written statement executed by the candidate acknowledging that as a director, the candidate will owe a fiduciary duty under Cayman Islands law with respect to Fabrinet and its shareholders, and (7) any other information relating to the candidate that would be required to be disclosed about such candidate if proxies were being solicited for the election of the candidate as a director, or that is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including, without limitation, the candidate’s written consent to being named in the proxy statement, if any, as a nominee and to serving as a director if elected).

[Table of Contents](#)

Shareholder recommendations for candidates to our Board of Directors must also contain specified information about the shareholder proposing such nomination. For more information, please refer to our memorandum and articles of association, which may be obtained by writing to our Corporate Secretary, c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114, or by accessing Fabrinet's filings on the SEC's website at www.sec.gov.

Director Qualifications

The Nominating and Corporate Governance Committee will evaluate and recommend candidates for membership on our Board of Directors consistent with criteria established by the committee. The consideration of any candidate for director will be based on the committee's assessment of the individual's background, experience, skills and abilities, and if such characteristics qualify the individual to fulfill the needs of our Board of Directors at that time. While the Nominating and Corporate Governance Committee has not established specific minimum qualifications or a formal diversity policy for director candidates, the committee believes that candidates and nominees should reflect a Board of Directors that is predominately independent and that is comprised of directors who (1) are of high integrity, (2) have broad, business-related knowledge and experience, (3) have qualifications that will increase overall board effectiveness, (4) have diverse backgrounds and perspectives, and (5) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members.

Identification and Evaluation of Director Nominees

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees. The committee assesses the appropriate size and composition of our Board of Directors, the needs of our Board of Directors and board committees and the qualifications of candidates in light of these needs. Candidates may come to the attention of the Nominating and Corporate Governance Committee through shareholders, management, current members of our Board of Directors or search firms. The evaluation of these candidates may be based solely upon information provided to the committee or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the committee deems appropriate, including the use of third parties to review candidates. Mr. Mitchell recommended that the Nominating and Corporate Governance Committee consider Dr. Bahrami for membership on our Board of Directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to our principal executive officer, principal financial officer, and the other individuals included in the Summary Compensation Table beginning on page 39. We refer to these individuals as our “Named Officers” in this proxy statement. For fiscal 2012, our Named Officers were:

- David T. Mitchell, Chief Executive Officer and Chairman of the Board of Directors;
- Dr. Harpal S. Gill, President and Chief Operating Officer;
- John Marchetti, Executive Vice President, Chief Strategy Officer;
- Toh-Seng Ng, Executive Vice President, Chief Financial Officer; and
- Mark J. Schwartz, Former Executive Vice President, Chief Financial Officer and Secretary.

Executive Compensation Program Objectives and Overview

Our executive compensation programs are intended to achieve three fundamental objectives: (1) attract, retain and motivate qualified executives; (2) hold executives accountable for performance; and (3) align executives’ interests with the interests of our shareholders. In structuring and designing our executive compensation programs, we are guided by the following basic philosophies:

- *Competition.* We should provide competitive compensation opportunities with respect to our industry so that we can attract, retain and motivate qualified executives.
- *Alignment with Shareholder Interests.* A substantial portion of compensation should be contingent on our performance for our shareholders, to align the interests of executives with the interests of our shareholders and to hold the executives accountable for our performance.

As described in more detail below, the material elements of our executive compensation programs for our Named Officers include a base salary, short-term cash incentive awards and long-term equity incentive awards. In addition, our Named Officers may participate in our 401(k) plan and employee benefit programs on substantially the same terms as our other employees. Our Named Officers are also entitled to certain perquisites and personal benefits and, in some cases, may be entitled to severance benefits upon certain terminations of their employment with us.

[Table of Contents](#)

We believe that each element of our executive compensation program helps us to achieve one or more of our compensation objectives. Taken together, the compensation elements are intended to provide a total compensation package for each Named Officer that is competitive. The table below lists each material element of our executive compensation program and the compensation objective or objectives that it is designed to achieve.

Role and Authority of the Compensation Committee

The Compensation Committee currently consists of Dr. Levinson (chairman) and Mr. Pulges, each of whom is "independent" within the meaning of NYSE rules. In addition, our Board of Directors has determined that Dr. Levinson and Mr. Pulges meet the requirements of the non-employee director definition of Rule 16b-3 promulgated under the Exchange Act and the outside director definition of Section 162(m) of the Internal Revenue Code, as amended. No Compensation Committee member is a former or current officer or employee of Fabrinet or any of its subsidiaries. The Compensation Committee meets at least quarterly, and members of the Compensation Committee serve at the discretion of our Board of Directors.

The Compensation Committee is responsible for overseeing our compensation policies and goals and administering our equity compensation plans and executive incentive plan, including approving target and actual bonuses under our executive incentive plan. Additionally, either independently or with the independent members of our Board of Directors, the Compensation Committee is responsible for reviewing and approving our chief executive officer's compensation. The Compensation Committee also reviews and approves compensation plans and arrangements for our other executive officers and recommends to our Board of Directors compensation for our other executive officers. The Compensation Committee's role is detailed in its charter, which is available on our website at www.fabrinet.com.

Pursuant to its charter, the Compensation Committee may delegate its authority to grant awards under the Company's incentive compensation or other equity-based plans, except with respect to awards to executive officers and directors. The Compensation Committee has delegated limited, non-exclusive authority to a committee consisting of our chief executive officer and chief financial officer (the "Equity Award Committee") to grant equity awards under our 2010 Performance Incentive Plan with respect to consultants, new hires and promotions for employees below the level of vice president (and with respect to new hires, for employees who are not expected to shortly thereafter become a vice president or above). In any fiscal year, the Equity Award

Committee may grant, in the aggregate, share options and share appreciation rights, restricted share units, restricted shares or other full-value awards covering no more than the number of shares that have been budgeted and approved by the Compensation Committee for such fiscal year. The Equity Award Committee did not take action during fiscal 2012, and the Compensation Committee did not approve a budget of equity awards for the Equity Award Committee for fiscal 2012. The Compensation Committee has not delegated any of its authority with respect to any component of the compensation of our Named Officers.

In October 2012, the Compensation Committee reviewed the Company's 2010 Performance Incentive Plan and, to ensure that the Company is able to continue to grant equity awards under the plan to employees and other service providers for recruiting and retention purposes, determined to amend the plan to increase the number of shares reserved for issuance under it, subject to shareholder approval, as described in Proposal Two above.

Role of the Independent Compensation Consultant

The Compensation Committee has the authority to engage the services of outside consultants to assist it in making decisions regarding the establishment of our compensation programs and philosophy. For fiscal 2012, the Compensation Committee retained Frederic W. Cook & Co., Inc., or FWC, an independent business and compensation consulting firm, to assist the Compensation Committee in reviewing our executive officer and director compensation programs and policies. Although Fabrinet pays FWC's fees, FWC reports directly to the Compensation Committee, and the Compensation Committee retains authority to hire or fire its compensation consultants. The Compensation Committee typically requests that FWC attend its meetings, as appropriate, and advise the Compensation Committee either in person or by telephone.

During fiscal 2012, FWC provided the Compensation Committee with peer group proxy and other publicly disclosed data related to our Named Officers. FWC also provided certain services on behalf of the Compensation Committee primarily related to compiling market data and advice regarding general compensation trends in the industry among similarly situated companies. In fiscal 2012, FWC did not provide services to the Compensation Committee relating to non-executive compensation.

Role of Executive Officers in Compensation Decisions

The Compensation Committee has historically sought and considered input from our chief executive officer, Mr. Mitchell, regarding the responsibilities, performance and compensation of our executive officers (other than Mr. Mitchell). Specifically, Mr. Mitchell may recommend base salary adjustments and equity award levels for our executive officers (other than himself) based on our financial and non-financial objectives, the executive officer's length of service, the executive officer's individual performance over a given year, and competitive market data for the executive officer's position as provided by FWC. In establishing compensation for a Named Officer, the Compensation Committee uses its discretion in determining whether to take into account Mr. Mitchell's recommendations for that officer and is not bound by Mr. Mitchell's recommendations.

Consideration of 2011 "Say on Pay" Advisory Vote

At our 2011 annual meeting of shareholders, over 99% of the votes cast in the advisory vote on executive compensation which were present and entitled to vote on the matter were in favor of the compensation of our named executive officers as disclosed in our 2011 proxy statement. In addition, our shareholders overwhelmingly supported the recommendations of our Board of Directors that our shareholders be provided with the opportunity to submit an advisory vote on the compensation of our named executive officers every year. The Compensation Committee believes these results affirm our shareholders' support for our executive compensation decisions and policies and took this into consideration in deciding to retain our overall approach to executive compensation for fiscal 2012. The Compensation Committee will continue to consider the results of future say-on-pay proposals when making executive compensation decisions and policies.

Fiscal 2012 Peer Companies

In analyzing our executive compensation program, FWC used a peer group of companies that were selected based on their respective businesses, revenues and market capitalization. The peer group generally represented companies with revenues of between \$400 million and \$1.5 billion, market capitalization of between \$250 million and \$2 billion, businesses generally classified as either communications equipment, electronic equipment manufacturing services, or electronic equipment and components, which reflects our company currently and at the time the companies were selected.

Data on the compensation practices of the peer companies generally was gathered through publicly available information and other data collected by FWC. Mr. Mitchell and the Compensation Committee reviewed the data presented on each company within the peer group both individually and collectively to arrive at a final market data point for comparative purposes. The peer group is reviewed each year; companies are removed if they do not meet the selection criteria, and new companies are added as necessary to ensure a significant sample size of companies. ARRIS Group, Inc., Finisar Corporation, KEMET Corporation, Littelfuse, Inc., Multi-Fineline Electronix, Inc., Netgear, Inc., Power-One, Inc., Tellabs, Inc., and Viasystems Group, Inc., were added to our peer group for fiscal 2012 as they met our selection criteria for fiscal 2012.

Our peer group for fiscal 2012, as approved by the Compensation Committee, consisted of the following companies:

<u>Fiscal 2012 Peer Group</u>		
ARRIS Group, Inc.	KEMET Corporation	Oclaro, Inc.
Checkpoint Systems, Inc.	Littelfuse, Inc.	Power-One, Inc.
Coherent, Inc.	Methode Electronics, Inc.	Rofin Sinar Technologies, Inc.
Daktronics Inc.	MTS Systems Corporation	Tellabs, Inc.
Finisar Corporation	Multi-Fineline Electronix, Inc.	TTM Technologies, Inc.
Infinera Corporation	Netgear, Inc.	Viasystems Group, Inc.
IPG Photonics Corporation	Newport Corporation	

For fiscal 2012, Electro Scientific Industries, Inc., Emcore Corporation, Opnext, Inc. and Park Electromechanical Corporation were removed from our fiscal 2011 peer group because each had revenues outside of the specified range for our peer group. In addition, Emcore and Opnext each had a market capitalization outside of the specified range for our peer group.

Target Compensation

We look at three elements of compensation (base salary, target total cash, and long-term incentives) as compared to our peer group and data from the Radford Executive Survey, to ensure that we provide a competitive executive compensation program to retain and attract highly qualified executives. For fiscal 2012, we targeted base salary, target total cash (salary plus cash incentive awards) and long-term incentives for each Named Officer at within the 50th to 75th percentile of our peer group. We use these targets to ensure that our compensation programs are within a competitive range so that we may attract and retain key employees.

Executive Compensation Program Elements

Base Salaries

The Compensation Committee determines annual base salaries for our executive officers on the basis of each executive officer's level of responsibility, qualifications, experience, past performance and expected future contributions, as well as the general salary practices of our peer group. The Compensation Committee reviews the base salary levels for our executive officers annually, without any executive involvement in the final determination (although the Compensation Committee does take into account Mr. Mitchell's recommendations)

[Table of Contents](#)

for executive officers other than himself), and considers any variances between each Named Officer's current salary and the salary practices of our peer group. Salaries may be adjusted based on certain criteria including our recent financial performance, the executive officer's individual performance, the functions performed by the executive officer, the scope of the executive officer's on-going duties and any general changes in the compensation data from our peer group. In determining any merit salary increase, the relative importance of each factor may vary from individual to individual.

In fiscal 2012, the Compensation Committee reviewed the data provided by FWC and considered each executive officer's past performance and expected future contributions, changes in each executive officer's responsibilities and organizational changes. The Compensation Committee evaluated base salaries for fiscal 2012 in order to maintain salary levels generally between the 50th to 75th percentiles of our peer group. As a result of its review, the Compensation Committee approved the following base salaries for fiscal 2012, with Dr. Gill's raise effective as of November 3, 2011.

<u>Named Officer</u>	<u>Fiscal 2011 Annual Base Salary</u>	<u>Fiscal 2012 Annual Base Salary</u>	<u>% Change</u>
Mr. Mitchell	\$450,000	\$450,000	—
Dr. Gill	\$475,000	\$575,000	21%
Mr. Schwartz(1)	\$375,000	\$375,000	—

(1) Mr. Schwartz left Fabrinet in April 2012.

In approving the increase to Dr. Gill's annual base salary, the Compensation Committee evaluated the aggregate base salaries of Mr. Mitchell and Dr. Gill combined, as well as Dr. Gill's individual performance and increased responsibilities at Fabrinet since being appointed as president in January 2011. The Compensation Committee decided to approve an increase to Dr. Gill's annual base salary that exceeded the 75th percentile of our peer group because Mr. Mitchell's annual base salary was substantially below the 50th percentile of our peer group and, together, the salaries remained within the 50th to 75th percentiles of our peer group.

Mr. Marchetti joined Fabrinet in January 2012 and, as a result, the base salary determinations that occurred in the first half of the fiscal year did not include him. However, at the time Mr. Marchetti joined Fabrinet, the Compensation Committee considered peer group data provided by FWC, as well as Mr. Marchetti's qualifications and experience, in approving his annual base salary of \$375,000.

Mr. Ng was appointed our executive vice president, chief financial officer, effective March 1, 2012. Prior to his appointment, Mr. Ng was our operations controller and senior vice president of finance. In connection with Mr. Ng's appointment, the Compensation Committee increased Mr. Ng's annual base salary to \$325,000 to reflect his additional responsibilities in the new role.

Short-Term Cash Incentive Awards

For fiscal 2011, the Compensation Committee approved an executive incentive plan that provided our executive officers with the ability to receive cash incentive awards, or bonus, based 90% on our financial performance and 10% on the achievement of individual strategic objectives by each executive officer. As a result, a substantial portion of each executive officer's total cash compensation in fiscal 2011 was tied to our financial performance, in order to focus each executive officer on the importance of achieving our top-line and bottom-line objectives. By basing a substantial portion of our executive officers' total cash compensation on achievement of financial and strategic goals designed to drive shareholder value, the fiscal 2011 executive incentive plan was intended to align their interests with the interests of our shareholders.

While the Compensation Committee believes that an executive incentive plan provides an additional critical component of our executive compensation program, the Compensation Committee decided not to adopt an

[Table of Contents](#)

executive incentive plan for fiscal 2012 due to challenges that arose in setting appropriate performance objectives following the severe flooding in Thailand that forced us to suspend production at all of our manufacturing facilities in Thailand from October 17, 2011 through November 14, 2011. Nonetheless, in February 2012, the Compensation Committee used its discretion to approve a one-time discretionary cash bonus payment in the amount of \$200,000 for Dr. Gill in recognition of his efforts in connection with our flood recovery efforts in Thailand. The Compensation Committee approved the bonus to recognize Dr. Gill's tireless efforts throughout the period of the flooding to protect, salvage and restore equipment and inventory located at our facilities in Thailand. Dr. Gill's efforts were instrumental in helping us restart manufacturing operations substantially earlier and on a significantly larger scale than we had forecasted.

In August 2012, the Compensation Committee approved an executive incentive plan for fiscal 2013 (the "Fiscal 2013 Bonus Plan") that is based entirely on achievement of certain financial metrics. All of our executive officers are eligible to participate in the Fiscal 2013 Bonus Plan, which provides for a target bonus amount expressed as a percentage of a participant's base salary, as set forth for the Named Officers in the table below. The maximum bonus that a participant may receive under the Fiscal 2013 Bonus Plan is two times such participant's target bonus.

<u>Named Officer</u>	<u>Fiscal 2011 Target Bonus (as a % of Base Salary)</u>	<u>Fiscal 2013 Target Bonus (as a % of Base Salary)</u>	<u>% Change</u>
Mr. Mitchell	100%	100%	—
Dr. Gill	60%	75%	25%
Mr. Marchetti	—	60%	N/A
Mr. Ng	—	50%	N/A
Mr. Schwartz	60%	—	N/A

For fiscal 2013, the Compensation Committee approved an increase to Dr. Gill's target bonus in recognition of Dr. Gill's individual performance and increased responsibilities at Fabrinet since being appointed as president in January 2011, as well as to keep Dr. Gill's target total cash compensation (salary plus cash incentive awards) between the 50th to 75th percentiles of our peer group.

Long-Term Equity Incentive Awards

Our equity incentive plan is a critical component of the compensation program that we believe incentivizes our executive officers and key employees to focus on building shareholder value through meeting long-term financial and strategic goals. We grant share options and restricted share units ("RSUs") to executive officers and other employees under our equity incentive plan. Share options and RSUs also function as a retention incentive for our executives as they vest over a four-year period after the date of grant.

We base long-term equity incentive award grants to executives on a number of factors, including peer group data provided by FWC, the executive's vested and unvested equity holdings, the executive's position and total compensation package, and the executive's contribution to the success of our financial performance. In addition, the size, frequency and type of long-term incentive grants may be determined on the basis of tax consequences of the grants to the individual and to us, and the accounting impact and potential dilution effects.

During fiscal 2012, the Compensation Committee granted a mix of RSUs and share options under our 2010 Performance Incentive Plan to each of our Named Officers. The Compensation Committee approved grants to Mr. Mitchell, Dr. Gill and Mr. Schwartz with grant date fair values that were targeted at the 75th percentile of our peer group to address the relatively low retention value of their unvested equity awards. The grants to Mr. Marchetti were targeted near the 60th percentile of our peer group. In connection with Mr. Ng's appointment as executive vice president, chief financial officer, the Compensation Committee approved grants to Mr. Ng with a grant date fair value of \$100,000 to reflect his additional responsibilities in the new role and bring his total

fiscal 2012 grants closer to the 75th percentile of our peer group to address the relatively low retention value of his unvested equity awards.

The following table sets forth the equity awards granted to each of our Named Officers during fiscal 2012:

<u>Named Officer</u>	<u>Grant Date</u>	<u>RSUs(1)</u>	<u>Share Options(2)</u>
Mr. Mitchell	11/10/2011	63,739	129,828
Dr. Gill	11/10/2011	35,411	72,127
Mr. Marchetti	2/9/2012	10,331	21,260(3)
Mr. Ng	11/10/2011	10,623	21,638
	3/1/2012	2,688	5,550
Mr. Schwartz	11/10/2011	26,558	54,095

(1) RSUs vest over a four-year period at a rate of 25% on each anniversary of the vesting commencement date.

(2) Unless otherwise indicated, all options vest over a four-year period at a rate of 1/48th per month.

(3) This option vests over a four-year period at a rate of 25% on the one-year anniversary of the vesting commencement date and then at a rate of 1/48th per month.

Perquisites and Personal Benefits

In addition to base salaries, we provide our Named Officers with certain perquisites and personal benefits. We believe that perquisites and personal benefits are a tax-advantaged way to provide our Named Officers with additional annual compensation that supplements their base salaries. We do not establish the value of each Named Officer's perquisites and personal benefits in a vacuum or as some form of compensation "add on." Instead, we view the value of the perquisites as another component of annual compensation that is merely paid in a different form. When determining each Named Officer's base salary, we take the value of each Named Officer's perquisites and personal benefits into consideration.

We provide certain benefits and allowances to our international assignees, including our Named Officers, which include housing and transportation allowances, living and travel expense reimbursements and tax preparation services. In addition, consistent with the policy we have adopted with respect to all U.S. citizens who are working on our behalf in Asia on an expatriate basis, we pay such employees a tax equalization payment that is intended to put the employee in the same position, from a tax-liability perspective, that he or she would be in if they were still located in the United States. Of our Named Officers, Mr. Mitchell, Dr. Gill and Mr. Ng receive a tax equalization payment because each qualifies for such benefit under the policy.

The perquisites and personal benefits paid to each Named Officer in fiscal 2012 are reported in the "All Other Compensation" column of the Summary Compensation Table below, and are further described in the footnotes to the Summary Compensation Table.

Severance and Other Benefits Upon Termination of Employment

We and certain of our subsidiaries have entered into employment agreements or offer letters with our Named Officers that provide for them to receive severance benefits following certain terminations of their employment with us or our subsidiaries, as applicable. These arrangements are consistent with our overall compensation objectives because, based on publicly filed information, we believe such arrangements are competitive with arrangements offered to senior executives by companies in our industry and are critical to achieve our business objective of management retention. We evaluate the level of severance benefits to provide a Named Officer on a case-by-case basis. To ensure that the severance and change of control arrangements continue to remain consistent with our compensation philosophy and current market practices, the Compensation Committee may periodically review these arrangements. Please see "Potential Payments Upon Termination or

Change in Control” below, for a description of the severance benefits our Named Officers may be entitled to receive upon termination of their employment.

Share Ownership Guidelines

To further align the interests of our executive officers and members of our Board of Directors with those of our shareholders, in August 2012, the Compensation Committee recommended, and the Board of Directors approved, share ownership guidelines for our executive officers and directors, which provide for a minimum ownership level equal to:

- chief executive officer – 6x annual base salary;
- other executive officers – 2x annual base salary; and
- directors – 3x annual Board retainer.

Executive officers and directors will be expected to meet these ownership levels within five years from the date such guidelines were adopted by the Board of Directors or within five years of their appointment as an executive officer or election to the Board of Directors. Shares counted towards the minimum ownership levels include all shares beneficially owned by the executive officer or director and any unvested restricted stock units held by the executive officer or director.

Tax Considerations

Section 162(m) of the Internal Revenue Code places a limit of \$1 million per year on the U.S. corporate income tax deduction a publicly-held corporation may take for compensation paid to each of its “covered employees” (generally, the chief executive officer and the next three most highly compensated executive officers, other than the chief financial officer, as of the end of any fiscal year). In general, certain performance-based compensation approved by shareholders is not subject to this \$1 million deduction limit. Prior to our initial public offering, our Board of Directors did not take the deductibility limit imposed by Section 162(m) into consideration in making compensation decisions. In the future, the Compensation Committee may adopt a policy that, where reasonably practicable, we will seek to qualify the compensation paid to Named Officers that are employees of our U.S.-based subsidiaries as performance-based compensation to participate in the exemption from the deductibility limitations of Section 162(m). However, the Compensation Committee may continue to authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent.

Compensation Recovery Policy

At this time, we have not implemented a policy regarding retroactive adjustments to any cash or equity-based incentive compensation paid to our executive officers and other employees where the payments were predicated upon the achievement of financial results that were subsequently the subject of a financial restatement. The Compensation Committee intends to revisit the issue after the SEC adopts final rules implementing the requirement of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Compensation and Risk Assessment

The Compensation Committee has assessed the risks associated with our compensation policies and practices for all employees and, based on its assessment, does not believe that such compensation policies and practices create risks that are reasonably likely to have a material adverse effect on us.

Compensation Committee Report

The Compensation Committee oversees Fabrinet's compensation policies, plans and benefit programs. The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on such review and discussions, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

Respectfully submitted by the members of the Compensation Committee of the Board of Directors.

- (1) Unless otherwise indicated, all options vest over a four-year period at a rate of 1/48th per month. RSUs vest over a four-year period at a rate of 25% on each anniversary of the vesting commencement date.
- (2) The expiration date shown is the normal expiration date and the latest date that options may be exercised. Options may terminate earlier in certain circumstances, such as in connection with a Named Officer's termination of employment or in connection with a change in control.
- (3) Market value of shares or units of stock that have not vested is computed by multiplying (i) \$12.55, the closing price on the New York Stock Exchange of our ordinary shares on June 29, 2012, the last business day of fiscal 2012, by (ii) the number of shares or units of stock.
- (4) This option vests over a four-year period at a rate of 25% on January 16, 2013 and then at a rate of 1/48th per month.
- (5) In connection with Mr. Schwartz's termination of employment, the vested portion of Mr. Schwartz's options remained exercisable until July 1, 2012, while his unvested options and RSUs were forfeited on the date of termination of his employment.

Option Exercises and Shares Vested in Fiscal 2012

The following table presents information regarding the exercise of share options by our Named Officers during fiscal 2012. None of our Named Officers had any share awards that vested during fiscal 2012.

Name	Option Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)(1)
Dr. Gill	155,288	2,145,588

- (1) The dollar amounts for share options are determined by multiplying (i) the number of our ordinary shares acquired upon exercise of a share option, by (ii) the difference between the per share market value of our ordinary shares on the date of exercise and the exercise price of the share option.

Potential Payments Upon Termination or Change of Control

We and certain of our subsidiaries have entered into employment agreements or offer letters with our Named Officers that provide the general terms and conditions of their employment, including payments and benefits upon termination of their employment in specified circumstances, including following a change in control.

Arrangement with Mr. Mitchell

We have entered into an employment agreement with Mr. Mitchell. Previously, Mr. Mitchell’s employment agreement was between Mr. Mitchell and Fabrinet USA, Inc., which we refer to as our California subsidiary. However, when Mr. Mitchell’s written employment agreement expired on December 31, 2005, we assumed responsibility for the agreement from our California subsidiary and agreed with Mr. Mitchell to continue his employment under the terms of the agreement. Mr. Mitchell may terminate his employment with us for any reason by providing written notice 90 days in advance. We may terminate Mr. Mitchell’s employment at any time with or without notice or cause. Mr. Mitchell has agreed that, for a period of one year following the termination of his employment with us, he will not solicit our employees or independent contractors to leave our employment or intentionally interfere with our relationships with, or seek to solicit business from, our customers or clients. If we terminate Mr. Mitchell’s employment without “cause” or he terminates his employment for “good reason,” Mr. Mitchell is entitled to receive a lump sum severance payment equal to two times his then-current annual base salary, plus accrued salary and earned bonus and reimbursement of expenses, all subject to applicable tax withholdings.

“Cause” means Mr. Mitchell’s (i) commission of any felony or any crime involving moral turpitude, (ii) willful breach of his duties to us, including, but not limited to, theft from us and failure to fully disclose personal pecuniary interest in a transaction involving us, or (iii) engaging in willful misconduct, willful or gross neglect, fraud, misappropriation, or embezzlement, in each case in the performance of his duties.

“Good reason” means (i) a material diminution during the term of the agreement in Mr. Mitchell’s office, duties, or responsibilities (including following any change in control) or (ii) a material breach by us of the agreement. However, before terminating his employment for good reason, Mr. Mitchell must provide (i) reasonable written notice to our Board of Directors setting forth the reasons for his intention to terminate for good reason and (ii) an opportunity for our Board of Directors to meet with him, together with legal counsel, and cure such reason within 15 days after receipt of such notice.

The following table provides information concerning the estimated payments and benefits that would be provided to Mr. Mitchell in the circumstances described above. Payments and benefits are estimated assuming that the triggering event took place on the last business day of fiscal 2012 (June 29, 2012). There can be no assurance that a triggering event would produce the same or similar results as those estimated below if such event occurs on any other date, or if any other assumption used to estimate potential payments and benefits is not correct. Due to the number of factors that affect the nature and amount of any potential payments or benefits, any actual payments and benefits may be different.

<u>Name</u>	<u>Type of Benefit</u>	<u>Potential Payments Upon:</u>	
		<u>Termination Without Cause (\$)</u>	<u>Resignation for Good Reason (\$)</u>

Arrangements with Dr. Gill, Mr. Marchetti and Mr. Ng

In the event Dr. Gill's, Mr. Marchetti's or Mr. Ng's employment is terminated either (i) in connection with a "change in control" (whether or not for good cause) or (ii) without "good cause" (without regard to whether there is a change in control), Dr. Gill's, Mr. Marchetti's and Mr. Ng's, as applicable, is entitled to receive a lump sum severance payment equal to his then-current annual base salary, medical coverage for 12 months following his termination of employment and any earned bonus, all subject to applicable tax withholdings.

For purposes of Dr. Gill's, Mr. Marchetti's and Mr. Ng's employment arrangements, "change in control" includes the occurrence of (i) a change in the ownership of the Company, which occurs on the date that any one person, or more than one person acting as a group ("Person"), acquires ownership of the stock of the Company that, together with the stock held by such Person, constitutes more than 50% of the total fair market value or the total voting power of the stock of the Company; or (ii) a change in the effective control of the Company which occurs (a) on the date any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such Person) ownership of stock of the Company possessing 30% or more of the total voting power of the stock of the Company, or (b) on the date that a majority of members of the Board of Directors is replaced during any twelve (12) month period by directors whose appointment or election is not endorsed by a majority of the members of the Board of Directors prior to the date of the appointment or election; or (iii) a change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions. For purposes of clause (i), if any Person is considered to own more than 50% of the Company's total fair market value or total voting power, the acquisition of additional stock of the Company by the same Person will not be considered a change in control. For purposes of clause (ii), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a change in control. For purposes of clause (iii), gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

For purposes of Dr. Gill's, Mr. Marchetti's and Mr. Ng's employment arrangements, "good cause" means (i) an act of dishonesty made in connection with their responsibilities as an employee, (ii) a conviction of or plea of nolo contendere to, a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (iii) gross misconduct, (iv) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom they owe an obligation of nondisclosure, (v) willful breach of any obligations under any written agreement or covenant with the Company, or (vi) continued failure to perform employment duties after receipt of a written demand of performance from the Company.

Policy for Approval of Related Party Transactions

In accordance with the Audit Committee's charter, the Audit Committee reviews and pre-approves in writing any proposed related party transactions. The most significant related party transactions, particularly those involving our directors and officers, will be reviewed and pre-approved in writing by our Board of Directors. We will report all such material related party transactions under applicable accounting rules, federal securities laws and SEC rules and regulations. Any dealings with a related party must be conducted in such a way that does not give us or the related party preferential treatment. For purposes of these procedures, "related person" and "transaction" have the meanings contained in Item 404 of Regulation S-K.

SECURITY OWNERSHIP BY PRINCIPAL SHAREHOLDERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of our ordinary shares as of September 28, 2012, for:

- each person (or group of affiliated persons) who is known by us to beneficially own more than 5% of our ordinary shares;
- each of our directors and director nominees;
- each of our Named Officers; and
- all of our directors and current executive officers as a group.

We have determined beneficial ownership in accordance with SEC rules. Except as indicated in the footnotes below, and subject to applicable community property laws, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all ordinary shares shown as beneficially owned by them. Percentage of beneficial ownership is based on 34,496,237 ordinary shares outstanding as of September 28, 2012. In computing the number of ordinary shares beneficially owned by a person or entity and the percentage ownership of that person or entity, we deemed to be outstanding all ordinary shares subject to options held by that person or entity that are currently exercisable or exercisable within 60 days of September 28, 2012. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person or entity.

Unless otherwise noted below, the address of each beneficial owner named below is c/o Fabrinet USA, Inc., 4104 24th Street, Suite 345, San Francisco, California 94114.

Specific due dates have been established by the SEC, and we are required to disclose in this proxy statement any failure to file required ownership reports by these dates. FABRINET
2010 PERFORMANCE INCENTIVE PLAN
(As amended December 20, 2010 and [December 20, 2012])

1. PURPOSE OF PLAN

The purpose of this Fabrinet 2010 Performance Incentive Plan (this “**Plan**”) of Fabrinet, an exempted company formed under the laws of the Cayman Islands (the “**Company**”), is to promote the success of the Company and to increase shareholder value by providing an additional means through the grant of awards to attract, motivate, retain and reward selected employees and other eligible persons.

2. ELIGIBILITY

The Administrator (as such term is defined in Section 3.1) may grant awards under this Plan only to those persons that the Administrator determines to be Eligible Persons. An “**Eligible Person**” is any person who is either: (a) an officer (whether or not a director) or employee of the Company or one of its Subsidiaries; (b) a director of the Company or one of its Subsidiaries; or (c) an individual consultant or advisor who renders or has rendered bona fide services (other than services in connection with the offering or sale of securities of the Company or one of its Subsidiaries in a capital-raising transaction or as a market maker or promoter of securities of the Company or one of its Subsidiaries) to the Company or one of its Subsidiaries and who is selected to participate in this Plan by the Administrator; provided, however, that a person who is otherwise an Eligible Person under clause (c) above may participate in this Plan only if such participation would not adversely affect either the Company’s eligibility to use Form S-8 to register under the Securities Act of 1933, as amended (the “**Securities Act**”), the offering and sale of shares issuable under this Plan by the Company or the Company’s compliance with any other applicable laws. An Eligible Person who has been granted an award (a “participant”) may, if otherwise eligible, be granted additional awards if the Administrator shall so determine. As used herein, “**Subsidiary**” means any corporation or other entity a majority of whose outstanding voting shares or voting power is beneficially owned directly or indirectly by the Company; and “**Board**” means the Board of Directors of the Company.

3. PLAN ADMINISTRATION

3.1 The Administrator. This Plan shall be administered by and all awards under this Plan shall be authorized by the Administrator. The “**Administrator**” means the Board or one or more committees appointed by the Board, including the compensation committee, or another committee (within its delegated authority) to administer all or certain aspects of this Plan. Any such committee shall be comprised solely of one or more directors or such number of directors as may be required under applicable law. A committee may delegate some or all of its authority to another committee so constituted. The Board or a committee comprised solely of directors may also delegate, to the extent permitted by the Companies Law (2004 Revision) of the Cayman Islands and any other applicable law, to one or more officers of the Company, its powers under this Plan (a) to designate the officers and employees of the Company and its Subsidiaries who will receive grants of awards under this Plan, and (b) to determine the number of shares subject to, and the other terms and conditions of, such awards. The Board may delegate different levels of authority to different committees with administrative and grant authority under this Plan. Unless otherwise provided in the Amended and Restated Memorandum and Articles of Association of the Company or the applicable charter of any Administrator: (a) a majority of the members of the acting Administrator shall constitute a quorum, and (b) the vote of a majority of the members present assuming the presence of a quorum or the unanimous written consent of the members of the Administrator shall constitute action by the acting Administrator.

With respect to awards intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “**Code**”), this Plan shall be

Table of Contents

administered by a committee consisting solely of two or more outside directors (as this requirement is applied under Section 162(m) of the Code); provided, however, that the failure to satisfy such requirement shall not affect the validity of the action of any committee otherwise duly authorized and acting in the matter. Award grants, and transactions in or involving awards, intended to be exempt under Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), must be duly and timely authorized by the Board or a committee consisting solely of two or more non-employee directors (as this requirement is applied under Rule 16b-3 promulgated under the Exchange Act). To the extent required by any applicable securities exchange, this Plan shall be administered by a committee composed entirely of independent directors (within the meaning of the applicable listing agency).

- 3.2 Powers of the Administrator.** Subject to the express provisions of this Plan, the Administrator is authorized and empowered to do all things necessary or desirable in connection with the authorization of awards and the administration of this Plan (in the case of a committee or delegation to one or more officers, within the authority delegated to that committee or person(s)), including, without limitation, the authority to:
- (a) determine eligibility and, from among those persons determined to be eligible, the particular Eligible Persons who will receive an award under this Plan;
 - (b) grant awards to Eligible Persons, determine the price at which securities will be offered or awarded and the number of securities to be offered or awarded to any of such persons, determine the other specific terms and conditions of such awards consistent with the express limits of this Plan, establish the installments (if any) in which such awards shall become exercisable or shall vest (which may include, without limitation, performance and/or time-based schedules), or determine that no delayed exercisability or vesting is required, establish any applicable performance targets, and establish the events of termination or reversion of such awards;
 - (c) approve the forms of award agreements (which need not be identical either as to type of award or among participants);
 - (d) construe and interpret this Plan and any agreements defining the rights and obligations of the Company, its Subsidiaries, and participants under this Plan, further define the terms used in this Plan, and prescribe, amend and rescind rules and regulations relating to the administration of this Plan or the awards granted under this Plan;
 - (e) cancel, modify, or waive the Company’s rights with respect to, or modify, discontinue, suspend, or terminate any or all outstanding awards, subject to any required consent under Section 8.7.5;
 - (f) accelerate or extend the vesting or exercisability or extend the term of any or all such outstanding awards (in the case of options or share appreciation rights, within the maximum ten-year term of such awards) in such circumstances as the Administrator may deem appropriate (including, without limitation, in connection with a termination of employment or services or other events of a personal nature) subject to any required consent under Section 8.7.5;
 - (g) adjust the number of Ordinary Shares (as defined in Section 4.1 below) subject to any award, adjust the price of any or all outstanding awards or otherwise change previously imposed terms and conditions, in such circumstances as the Administrator may deem appropriate, in each case subject to Sections 4 and 8.7, and provided that in no case (except due to an adjustment contemplated by Section 7 or any repricing that may be approved by shareholders) shall such an adjustment constitute a repricing (i.e. a reduction by amendment, cancellation and regrant, exchange or other means including an exchange for cash or another award) of the per share exercise or base price of any option or share appreciation right;

Table of Contents

- (h) determine the date of grant of an award, which may be a designated date after but not before the date of the Administrator's action (unless otherwise designated by the Administrator, the date of grant of an award shall be the date upon which the Administrator took the action granting an award);
- (i) determine whether, and the extent to which, adjustments are required pursuant to Section 7 hereof and authorize the termination, conversion, substitution or succession of awards upon the occurrence of an event of the type described in Section 7;
- (j) acquire or settle (subject to Sections 7 and 8.7) rights under awards in cash, shares of equivalent value, or other consideration, provided, however, that in no case without shareholder approval shall the Corporation effect a "repricing" of a share option or share appreciation right granted under this Plan by purchasing the option or share appreciation right at a time when the exercise or base price of the award is greater than the fair market value of an Ordinary Share; and
- (k) determine the fair market value of the Ordinary Shares or awards under this Plan from time to time and/or the manner in which such value will be determined.

3.3 Binding Determinations. Any action taken by, or inaction of, the Company, any Subsidiary, or the Administrator relating or pursuant to this Plan and within its authority hereunder or under applicable law shall be within the absolute discretion of that entity or body and shall be conclusive and binding upon all persons. Neither the Board nor any Board committee, nor any member thereof or person acting at the direction thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with this Plan (or any award made under this Plan), and all such persons shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors and officers liability insurance coverage that may be in effect from time to time.

3.4 Reliance on Experts. In making any determination or in taking or not taking any action under this Plan, the Board or a committee, as the case may be, may obtain and may rely upon the advice of experts, including employees and professional advisors to the Company. No director, officer or agent of the Company or any of its Subsidiaries shall be liable for any such action or determination taken or made or omitted in good faith.

3.5 Delegation. The Administrator may delegate ministerial, non-discretionary functions to individuals who are officers or employees of the Company or any of its Subsidiaries or to third parties.

4. ORDINARY SHARES SUBJECT TO THE PLAN; SHARE LIMITS

4.1 Shares Available. Subject to the provisions of Section 7.1, the shares that may be delivered under this Plan shall be the Company's authorized but unissued Ordinary Shares. For purposes of this Plan, "**Ordinary Shares**" shall mean the ordinary shares of the Company and such other securities or property as may become the subject of awards under this Plan, or may become subject to such awards, pursuant to an adjustment made under Section 7.1.

4.2 Share Limits. The maximum number of Ordinary Shares that may be delivered pursuant to awards granted to Eligible Persons under this Plan (the "**Share Limit**") is equal to the sum of (1) five million seven hundred thousand (5,700,000) shares, plus (2) the number of any shares subject to options granted under the Fabrinet 1999 Share Option Plan and outstanding on the effective date of the first registration statement that is filed by the Company and declared effective pursuant to Section 12(g) of the Securities Exchange Act of 1934, as amended (the "**Registration Date**"), which expire, or for any

reason are cancelled or terminated, on or after the Registration Date without being exercised. The maximum number of Ordinary Shares that may be delivered pursuant to options qualified as incentive stock options (within the meaning of Code Section 422) granted under this Plan is five million seven hundred thousand (5,700,000) shares. Each of the foregoing numerical limits is subject to adjustment as contemplated by Section 4.3, Section 7.1, and Section 8.11.

4.3 Awards Settled in Cash, Reissue of Awards and Shares. To the extent that an award granted under this Plan is settled in cash or a form other than Ordinary Shares, the shares that would have been delivered had there been no such cash or other settlement shall not be counted against the shares available for issuance under this Plan. In the event that Ordinary Shares are delivered in respect of a dividend equivalent right granted under this Plan, only the actual number of shares delivered with respect to the award shall be counted against the share limits of this Plan. To the extent that Ordinary Shares are delivered pursuant to the exercise of a share appreciation right or share option granted under this Plan, only Shares actually issued pursuant to a share appreciation right or share option will cease to be available under the Plan; all remaining shares under share appreciation rights or share option will remain available for future grant or sale under the Plan (unless the Plan has terminated). Shares that are subject to or underlie awards granted under this Plan which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under this Plan shall again be available for subsequent awards under this Plan. Shares that are exchanged by a participant or withheld by the Company as full or partial payment in connection with any award under this Plan, as well as any shares exchanged by a participant or withheld by the Company or one of its Subsidiaries to satisfy the tax withholding obligations related to any award under this Plan, shall be available for subsequent awards under this Plan. Refer to Section 8.11 for application of the foregoing share limits with respect to assumed awards.

4.4 Reservation of Shares; No Fractional Shares; Minimum Issue. The Company shall at all times reserve a number of Ordinary Shares sufficient to cover the Company's obligations and contingent obligations to deliver shares with respect to awards then outstanding under this Plan (exclusive of any dividend equivalent obligations to the extent the Company has the right to settle such rights in cash). No fractional shares shall be delivered under this Plan. The Administrator may pay cash in lieu of any fractional shares in settlements of awards under this Plan. No fewer than 100 shares may be purchased on exercise of any award (or, in the case of share appreciation or purchase rights, no fewer than 100 rights may be exercised at any one time) unless the total number purchased or exercised is the total number at the time available for purchase or exercise under the award.

5. AWARDS

5.1 Type and Form of Awards. The Administrator shall determine the type or types of award(s) to be made to each selected Eligible Person. Awards may be granted singly, in combination or in tandem. Awards also may be made in combination or in tandem with, in replacement of, as alternatives to, or as the payment form for grants or rights under any other employee or compensation plan of the Company or one of its Subsidiaries. The types of awards that may be granted under this Plan are:

5.1.1 Share Options. A share option is the grant of a right to purchase a specified number of Ordinary Shares during a specified period as determined by the Administrator. An option may be intended as an incentive stock option within the meaning of Section 422 of the Code (an "ISO") or a nonqualified share option (an option not intended to be an ISO). The award agreement for an option will indicate if the option is intended as an ISO; otherwise it will be deemed to be a nonqualified share option. The maximum term of each option (ISO or nonqualified) shall be ten (10) years. The per share exercise price for each option shall be not less than 100% of the fair market value of an Ordinary Share on the date of grant of the option. When an option is exercised, the exercise price for the shares to be purchased shall be paid in full in cash or such other method permitted by the Administrator consistent with Section 5.4.

5.1.2 Additional Rules Applicable to ISOs. To the extent that the aggregate fair market value (determined at the time of grant of the applicable option) of shares with respect to which ISOs first become exercisable by a participant in any calendar year exceeds \$100,000, taking into account both Ordinary Shares subject to ISOs under this Plan and shares subject to ISOs under all other plans of the Company or one of its Subsidiaries (or any parent or predecessor corporation to the extent required by and within the meaning of Section 422 of the Code and the regulations promulgated thereunder), such options shall be treated as nonqualified share options. In reducing the number of options treated as ISOs to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Administrator may, in the manner and to the extent permitted by law, designate which Ordinary Shares are to be treated as shares acquired pursuant to the exercise of an ISO. ISOs may only be granted to employees of the Company or one of its subsidiaries (for this purpose, the term “**subsidiary**” is used as defined in Section 424(f) of the Code, which generally requires an unbroken chain of ownership of at least 50% of the total combined voting power of all classes of shares of each subsidiary in the chain beginning with the Company and ending with the subsidiary in question). There shall be imposed in any award agreement relating to ISOs such other terms and conditions as from time to time are required in order that the option be an “incentive stock option” as that term is defined in Section 422 of the Code. No ISO may be granted to any person who, at the time the option is granted, owns (or is deemed to own under Section 424(d) of the Code) outstanding Ordinary Shares possessing more than 10% of the total combined voting power of all classes of shares of the Company, unless the exercise price of such option is at least 110% of the fair market value of the shares subject to the option and such option by its terms is not exercisable after the expiration of five (5) years from the date such option is granted.

5.1.3 Share Appreciation Rights. A share appreciation right or “**SAR**” is a right to receive a payment, in cash and/or Ordinary Shares, equal to the excess of the fair market value of a specified number of Ordinary Shares on the date the SAR is exercised over the “base price” of the SAR, which base price shall be set forth in the applicable award agreement and shall be not less than 100% of the fair market value of an Ordinary Share on the date of grant of the SAR. The maximum term of an SAR shall be ten (10) years.

5.1.4 Other Awards. The other types of awards that may be granted under this Plan include: (a) share bonuses, restricted shares, performance shares, share units, phantom shares, dividend equivalents, or similar rights to purchase or acquire shares, whether at a fixed or variable price or ratio related to the Ordinary Shares, upon the passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions, or any combination thereof; or (b) any similar securities with a value derived from the value of or related to the Ordinary Shares and/or returns thereon.

5.2 Award Agreements. Each award shall be evidenced by either (1) a written award agreement in a form approved by the Administrator and executed by the Company by an officer duly authorized to act on its behalf, or (2) an electronic notice of award grant in a form approved by the Administrator and recorded by the Company (or its designee) in an electronic recordkeeping system used for the purpose of tracking award grants under this Plan generally (in each case, an “award agreement”), as the Administrator may provide and, in each case and if required by the Administrator, executed or otherwise electronically accepted by the recipient of the award in such form and manner as the Administrator may require. The Administrator may authorize any officer of the Company (other than the particular award recipient) to execute any or all award agreements on behalf of the Company. The award agreement shall set forth the material terms and conditions of the award as established by the Administrator consistent with the express limitations of this Plan.

5.3 Deferrals and Settlements. Payment of awards may be in the form of cash, Ordinary Shares, other awards or combinations thereof as the Administrator shall determine, and with such restrictions as it

may impose. The Administrator may also require or permit participants to elect to defer the issuance of shares or the settlement of awards in cash under such rules and procedures as it may establish under this Plan. The Administrator may also provide that deferred settlements include the payment or crediting of interest or other earnings on the deferral amounts, or the payment or crediting of dividend equivalents where the deferred amounts are denominated in shares.

5.4 Consideration for Ordinary Shares or Awards. The purchase price for any award granted under this Plan or the Ordinary Shares to be delivered pursuant to an award, as applicable, may be paid by means of any lawful consideration as determined by the Administrator, including, without limitation, one or a combination of the following methods:

- services rendered by the recipient of such award;
- cash, check payable to the order of the Company, or electronic funds transfer;
- notice and third party payment in such manner as may be authorized by the Administrator;
- if approved by the Administrator, the delivery of previously owned Ordinary Shares;
- if approved by the Administrator, by a reduction in the number of shares otherwise deliverable pursuant to the award; or
- if approved by the Administrator, subject to such procedures as the Administrator may adopt, pursuant to a “cashless exercise” with a third party who provides financing for the purposes of (or who otherwise facilitates) the purchase or exercise of awards.

In no event shall any shares newly-issued by the Company be issued for less than the minimum lawful consideration for such shares or for consideration other than consideration permitted by applicable state law. Ordinary Shares used to satisfy the exercise price of an option shall be valued at their fair market value on the date of exercise. The Company will not be obligated to deliver any shares unless and until it receives full payment of the exercise or purchase price therefor and any related withholding obligations under Section 8.5 and any other conditions to exercise or purchase have been satisfied. Unless otherwise expressly provided in the applicable award agreement, the Administrator may at any time eliminate or limit a participant’s ability to pay the purchase or exercise price of any award or shares by any method other than cash payment to the Company.

5.5 Definition of Fair Market Value. For purposes of this Plan, “fair market value” shall mean, unless otherwise determined or provided by the Administrator in the circumstances, the last price (in regular trading) for an Ordinary Share as furnished by the Financial Industry Regulatory Authority (the “FINRA”) through any established stock exchange or a national market system, including without limitation the New York Stock Exchange, the Nasdaq Global Select Market, the Nasdaq Global Market or the Nasdaq Capital Market of The Nasdaq Stock Market, or another applicable listing agency (the “Stock Market”) for the date in question or, if no sales of Ordinary Shares were reported on the Stock Market on that date, the last price (in regular trading) for an Ordinary Share as furnished through the Stock Market for the next preceding day on which sales of Ordinary Shares were reported by the FINRA. The Administrator may, however, provide with respect to one or more awards that the fair market value shall equal the last price for an Ordinary Share as furnished by the FINRA through the Stock Market on the last trading day preceding the date in question or the average of the high and low trading prices of an Ordinary Share as furnished by the FINRA through the Stock Market for the date in question or the most recent trading day. If the Ordinary Shares are no longer listed or is no longer actively traded on the Stock Market as of the applicable date, the fair market value of the Ordinary Shares shall be the value as reasonably determined by the Administrator for purposes of the award in

the circumstances. The Administrator also may adopt a different methodology for determining fair market value with respect to one or more awards if a different methodology is necessary or advisable to secure any intended favorable tax, legal or other treatment for the particular award(s) (for example, and without limitation, the Administrator may provide that fair market value for purposes of one or more awards will be based on an average of closing prices (or the average of high and low daily trading prices) for a specified period preceding the relevant date).

5.6 Transfer Restrictions.

5.6.1 Limitations on Exercise and Transfer. Unless otherwise expressly provided in (or pursuant to) this Section 5.6 or required by applicable law, (a) all awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; (b) awards shall be exercised only by the participant; and (c) amounts payable or shares issuable pursuant to any award shall be delivered only to (or for the account of) the participant.

5.6.2 Exceptions. The Administrator may permit awards to be exercised by and paid to, or otherwise transferred to, family members (or trusts or other entities on their behalf) or charitable organizations or entities pursuant to such conditions and procedures, including limitations on subsequent transfers, as the Administrator may, in its sole discretion, establish in writing. Any permitted transfer shall be subject to compliance with applicable federal and state securities laws and shall not be for value (other than nominal consideration, settlement of marital property rights, or for interests in an entity in which more than 50% of the voting interests are held by the Eligible Person or by the Eligible Person's family members).

5.6.3 Further Exceptions to Limits on Transfer. The exercise and transfer restrictions in Section 5.6.1 shall not apply to:

- (a) transfers to the Company (for example, in connection with the expiration or termination of the award);
- (b) the designation of a beneficiary to receive benefits in the event of the participant's death or, if the participant has died, transfers to or exercise by the participant's beneficiary, or, in the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution;
- (c) subject to any applicable limitations on ISOs, transfers to a family member (or former family member) pursuant to a domestic relations order if approved or ratified by the Administrator;
- (d) if the participant has suffered a disability, permitted transfers or exercises on behalf of the participant by his or her legal representative; or
- (e) the authorization by the Administrator of "cashless exercise" procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of awards consistent with applicable laws and the express authorization of the Administrator.

5.7 International Awards. One or more awards may be granted to Eligible Persons who provide services to the Company or one of its Subsidiaries outside of the United States. Any awards granted to such persons may be granted pursuant to the terms and conditions of any applicable sub-plans, that may be different than the terms and conditions of the Plan, if any, appended to this Plan and approved by the Administrator.

6. EFFECT OF TERMINATION OF EMPLOYMENT OR SERVICE ON AWARDS

- 6.1 General.** The Administrator shall establish the effect of a termination of employment or service on the rights and benefits under each award under this Plan and in so doing may make distinctions based upon, inter alia, the cause of termination and type of award. If the participant is not an employee of the Company or one of its Subsidiaries and provides other services to the Company or one of its Subsidiaries, the Administrator shall be the sole judge for purposes of this Plan (unless a contract or the award otherwise provides) of whether the participant continues to render services to the Company or one of its Subsidiaries and the date, if any, upon which such services shall be deemed to have terminated.
- 6.2 Events Not Deemed Terminations of Service.** Unless the express policy of the Company or one of its Subsidiaries, or the Administrator, otherwise provides, the employment relationship shall not be considered terminated in the case of (a) sick leave, (b) military leave, or (c) any other leave of absence authorized by the Company or one of its Subsidiaries, or the Administrator; provided that unless reemployment upon the expiration of such leave is guaranteed by contract or law or the Administrator otherwise provides, such leave is for a period of not more than three months. Further, for purposes of ISOs, no such leave may exceed three months, unless reemployment upon expiration of such leave is guaranteed by contract or law. If reemployment, upon expiration of a leave of absence approved by the Company or one of its Subsidiaries or the Administrator, is not so guaranteed, then six months following the first day of such leave, any ISO held by such participant will cease to be treated as an ISO and will be treated for U.S. tax purposes as a nonstatutory stock option. In the case of any employee of the Company or one of its Subsidiaries on an approved leave of absence, continued vesting of the award while on leave from the employ of the Company or one of its Subsidiaries may be suspended until the employee returns to service, unless the Administrator otherwise provides or applicable law otherwise requires. In no event shall an award be exercised after the expiration of the term set forth in the applicable award agreement.
- 6.3 Effect of Change of Subsidiary Status.** Except as otherwise permitted by the Administrator, for purposes of this Plan and any award, if an entity ceases to be a Subsidiary of the Company a termination of employment or service shall be deemed to have occurred with respect to each Eligible Person in respect of such Subsidiary who does not continue as an Eligible Person in respect of the Company or another Subsidiary that continues as such after giving effect to the transaction or other event giving rise to the change in status.

7. ADJUSTMENTS; ACCELERATION

- 7.1 Adjustments.** Subject to Section 7.2, upon (or, as may be necessary to effect the adjustment, immediately prior to): any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution in respect of the Ordinary Shares; or any exchange of Ordinary Shares or other securities of the Company, or any similar, unusual or extraordinary corporate transaction in respect of the Ordinary Shares; then the Administrator shall equitably and proportionately adjust (1) the number and type of Ordinary Shares (or other securities) that thereafter may be made the subject of awards (including the specific share limits, maximums and numbers of shares set forth elsewhere in this Plan), (2) the number, amount and type of Ordinary Shares (or other securities or property) subject to any outstanding awards, (3) the grant, purchase, or exercise price (which term includes the base price of any SAR or similar right) of any outstanding awards, and/or (4) the securities, cash or other property deliverable upon exercise or payment of any outstanding awards, in each case to the extent necessary to preserve (but not increase) the level of incentives intended by this Plan and the then-outstanding awards.

Unless otherwise expressly provided in the applicable award agreement, upon (or, as may be necessary to effect the adjustment, immediately prior to) any event or transaction described in the preceding paragraph or a sale of all or substantially all of the business or assets of the Company as an entirety, the Administrator shall equitably and proportionately adjust the performance standards applicable to any then-outstanding performance-based awards to the extent necessary to preserve the level of incentives intended by this Plan and the then-outstanding performance-based awards.

It is intended that, if possible, any adjustments contemplated by the preceding two paragraphs be made in a manner that satisfies applicable U.S. legal, tax (including, without limitation and as applicable in the circumstances, Section 424 of the Code and Section 409A of the Code) and accounting (so as to not trigger any charge to earnings with respect to such adjustment) requirements.

Without limiting the generality of Section 3.3, any good faith determination by the Administrator as to whether an adjustment is required in the circumstances pursuant to this Section 7.1, and the extent and nature of any such adjustment, shall be conclusive and binding on all persons.

7.2 Corporate Transactions—Assumption and Termination of Awards. Upon the occurrence of any of the following: any merger, combination, consolidation, or other reorganization; any exchange of Ordinary Shares or other securities of the Company; a sale of all or substantially all the business, stock or assets of the Company; a dissolution of the Company; or any other event in which the Company does not survive (or does not survive as a public company in respect of its Ordinary Shares); then the Administrator may make provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all outstanding share-based awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Ordinary Shares upon or in respect of such event. Upon the occurrence of any event described in the preceding sentence, then, unless the Administrator has made a provision for the substitution, assumption, exchange or other continuation or settlement of the award or the award would otherwise continue in accordance with its terms in the circumstances: (1) subject to Section 7.4 and unless otherwise provided in the applicable award agreement, each then-outstanding option and SAR shall become fully vested, all restricted shares then outstanding shall fully vest free of restrictions, and each other award granted under this Plan that is then outstanding shall become payable to the holder of such award; and (2) each award shall terminate upon the related event; provided that the holder of an option or SAR shall be given reasonable advance notice of the impending termination and a reasonable opportunity to exercise his or her outstanding vested options and SARs (after giving effect to any accelerated vesting required in the circumstances) in accordance with their terms before the termination of such awards (except that in no case shall more than ten days' notice of the impending termination be required and any acceleration of vesting and any exercise of any portion of an award that is so accelerated may be made contingent upon the actual occurrence of the event).

Without limiting the preceding paragraph, in connection with any event referred to in the preceding paragraph or any change in control event defined in any applicable award agreement, the Administrator may, in its discretion, provide for the accelerated vesting of any award or awards as and to the extent determined by the Administrator in the circumstances.

The Administrator may adopt such valuation methodologies for outstanding awards as it deems reasonable in the event of a cash or property settlement and, in the case of options, SARs or similar rights, but without limitation on other methodologies, may base such settlement solely upon the excess if any of the per share amount payable upon or in respect of such event over the exercise or base price of the award.

In any of the events referred to in this Section 7.2, the Administrator may take such action contemplated by this Section 7.2 prior to such event (as opposed to on the occurrence of such event) to

the extent that the Administrator deems the action necessary to permit the participant to realize the benefits intended to be conveyed with respect to the underlying shares. Without limiting the generality of the foregoing, the Administrator may deem an acceleration to occur immediately prior to the applicable event and/or reinstate the original terms of the award if an event giving rise to an acceleration does not occur.

Notwithstanding the foregoing, to the extent a participant is subject to U.S. income taxation, a transaction will not be deemed to occur under this Section 7.2 unless the transaction qualifies as a change in control event within the meaning of Section 409A of the Code (“**Section 409A**”), as it has been and may be amended from time to time, and any proposed or final Treasury Regulations and Internal Revenue Service guidance that has been promulgated or may be promulgated thereunder from time to time.

Without limiting the generality of Section 3.3, any good faith determination by the Administrator pursuant to its authority under this Section 7.2 shall be conclusive and binding on all persons.

7.3 Other Acceleration Rules. The Administrator may override the provisions of Section 7.2 and/or 7.4 by express provision in the award agreement and may accord any Eligible Person a right to refuse any acceleration, whether pursuant to the award agreement or otherwise, in such circumstances as the Administrator may approve. The portion of any ISO accelerated in connection with an event referred to in Section 7.2 (or such other circumstances as may trigger accelerated vesting of the award) shall remain exercisable as an ISO only to the extent the applicable \$100,000 limitation on ISOs is not exceeded. To the extent exceeded, the accelerated portion of the option shall be exercisable as a nonqualified stock option under the Code.

7.4 Golden Parachute Limitation. Notwithstanding anything else contained in this Section 7 to the contrary, in no event shall any award or payment be granted or accelerated under this Plan to an extent or in a manner so that such award or payment, together with any other compensation and benefits provided to, or for the benefit of, the participant under any other plan or agreement of the Company or any of its Subsidiaries, would not be fully deductible by the Company or one of its Subsidiaries for federal income tax purposes because of Section 280G of the Code. If a participant would be entitled to benefits or payments hereunder and under any other plan or program that would constitute “parachute payments” as defined in Section 280G of the Code, then the reduction will occur in the following order: (a) reduction of cash payments; (b) cancellation of awards granted “contingent on a change in ownership or control,” within the meaning of Section 280G of the Code; (c) cancellation of accelerated vesting of equity awards; and (d) reduction of other employee benefits. In the event that awards are cancelled pursuant to clause (b) above, or the acceleration of vesting of any awards is cancelled under clause (c) above, such cancellation in each case will occur in the reverse order of the date of grant of the participant’s awards. If two or more awards are granted on the same date, the cancellation of each award, with respect to clause (b), or the cancellation of the accelerated vesting of each award, with respect to clause (c), will occur on a pro-rata basis across all awards with the same grant date. Notwithstanding the foregoing, if a participant is a party to an employment or other agreement with the Company or one of its Subsidiaries, or is a participant in a severance program sponsored by the Company or one of its Subsidiaries, that contains express provisions regarding Section 280G and/or Section 4999 of the Code (or any similar successor provision), or the applicable award agreement includes such provisions, the Section 280G and/or Section 4999 provisions of such employment or other agreement or plan, as applicable, shall control as to the awards held by that participant (for example, and without limitation, a participant may be a party to an employment agreement with the Company or one of its Subsidiaries that provides for a “gross-up” as opposed to a “cut-back” in the event that the Section 280G thresholds are reached or exceeded in connection with a change in control and, in such event, the Section 280G and/or Section 4999 provisions of such employment agreement shall control as to any awards held by that participant). Provided, however, that if a reduction of

“parachute payments” within the meaning of Section 280G of the Code occurs pursuant to the terms of this Plan, or such other employment or other agreement or severance program, in no event will a participant have any discretion with respect to the ordering of such payment reductions.

8. OTHER PROVISIONS

- 8.1 Compliance with Laws.** This Plan, the granting and vesting of awards under this Plan, the offer, issuance and delivery of Ordinary Shares and/or the payment of money under this Plan or under awards are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law, federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. The person acquiring any securities under this Plan will, if requested by the Company or one of its Subsidiaries, provide such assurances and representations to the Company or one of its Subsidiaries as the Administrator may deem necessary or desirable to assure compliance with all applicable legal and accounting requirements.
- 8.2 No Rights to Award.** No person shall have any claim or rights to be granted an award (or additional awards, as the case may be) under this Plan, subject to any express contractual rights (set forth in a document other than this Plan) to the contrary.
- 8.3 No Employment/Service Contract.** Nothing contained in this Plan (or in any other documents under this Plan or in any award) shall confer upon any Eligible Person or other participant any right to continue in the employ or other service of the Company or one of its Subsidiaries, constitute any contract or agreement of employment or other service or affect an employee’s status as an employee at will, nor shall interfere in any way with the right of the Company or one of its Subsidiaries to change a person’s compensation or other benefits, or to terminate his or her employment or other service, with or without cause. Nothing in this Section 8.3, however, is intended to adversely affect any express independent right of such person under a separate employment or service contract other than an award agreement.
- 8.4 Plan Not Funded.** Awards payable under this Plan shall be payable in shares or from the general assets of the Company, and no special or separate reserve, fund or deposit shall be made to assure payment of such awards. No participant, beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including Ordinary Shares, except as expressly otherwise provided) of the Company or one of its Subsidiaries by reason of any award hereunder. Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company or one of its Subsidiaries and any participant, beneficiary or other person. To the extent that a participant, beneficiary or other person acquires a right to receive payment pursuant to any award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.
- 8.5 Tax Withholding.** Upon any exercise, vesting, or payment of any award or upon the disposition of Ordinary Shares acquired pursuant to the exercise of an ISO prior to satisfaction of the holding period requirements of Section 422 of the Code, the Company or one of its Subsidiaries shall have the right at its option to:
- (a) require the participant (or the participant’s personal representative or beneficiary, as the case may be) to pay or provide for payment of at least the minimum amount of any taxes which the Company or one of its Subsidiaries may be required to withhold with respect to such award event or payment; or

- (b) deduct from any amount otherwise payable in cash to the participant (or the participant's personal representative or beneficiary, as the case may be) the minimum amount of any taxes which the Company or one of its Subsidiaries may be required to withhold with respect to such cash payment.

In any case where a tax is required to be withheld in connection with the delivery of Ordinary Shares under this Plan, the Administrator may in its sole discretion (subject to Section 8.1) require or grant (either at the time of the award or thereafter) to the participant the right to elect, pursuant to such rules and subject to such conditions as the Administrator may establish, that the Company reduce the number of shares to be delivered by (or otherwise reacquire) the appropriate number of shares, valued in a consistent manner at their fair market value or at the sales price in accordance with authorized procedures for cashless exercises, necessary to satisfy the minimum applicable withholding obligation on exercise, vesting or payment. In no event shall the shares withheld exceed the minimum whole number of shares required for tax withholding under applicable law.

8.6 Compliance With Section 409A. Awards will be designed and operated in such a manner that they are either exempt from the application of, or comply with, the requirements of Section 409A such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A, except as otherwise determined in the sole discretion of the Administrator. The Plan and each award agreement under the Plan is intended to meet the requirements of Section 409A and will be construed and interpreted in accordance with such intent, except as otherwise determined in the sole discretion of the Administrator. To the extent that an award or payment, or the settlement or deferral thereof, is subject to Section 409A the award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A.

8.7 Effective Date, Termination and Suspension, Amendments.

8.7.1 Effective Date. This Plan is effective as of the Registration Date. This Plan shall be submitted for and subject to shareholder approval no later than twelve months after the adoption of the Plan by the Board. Unless earlier terminated by the Board, this Plan shall terminate at the close of business on the day before the tenth anniversary of the adoption of the Plan by the Board. After the termination of this Plan either upon such stated expiration date or its earlier termination by the Board, no additional awards may be granted under this Plan, but previously granted awards (and the authority of the Administrator with respect thereto, including the authority to amend such awards) shall remain outstanding in accordance with their applicable terms and conditions and the terms and conditions of this Plan.

8.7.2 Board Authorization. The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan, in whole or in part. No awards may be granted during any period that the Board suspends this Plan.

8.7.3 Shareholder Approval. To the extent then required by applicable law or any applicable listing agency or required under Sections 422 or 424 of the Code to preserve the intended tax consequences of this Plan, or pursuant to any repricing under Sections 3.2(g) and 3.2(j), or deemed necessary or advisable by the Board, any amendment to this Plan shall be subject to shareholder approval.

8.7.4 Amendments to Awards. Without limiting any other express authority of the Administrator under (but subject to) the express limits of this Plan, the Administrator by agreement or resolution may waive conditions of or limitations on awards to participants that the Administrator in the prior exercise of its discretion has imposed, without the consent of a participant, and (subject to the requirements of

Sections 3.2 and 8.7.5) may make other changes to the terms and conditions of awards. Any amendment or other action that would constitute a repricing of an award is subject to the limitations set forth in Section 3.2(g).

8.7.5 Limitations on Amendments to Plan and Awards. No amendment, suspension or termination of this Plan or amendment of any outstanding award agreement shall, without written consent of the participant, affect in any manner materially adverse to the participant any rights or benefits of the participant or obligations of the Company under any award granted under this Plan prior to the effective date of such change. Changes, settlements and other actions contemplated by Section 7 shall not be deemed to constitute changes or amendments for purposes of this Section 8.7.

8.8 Privileges of Share Ownership. Except as otherwise expressly authorized by the Administrator or this Plan, a participant shall not be entitled to any privilege of share ownership as to any Ordinary Shares not actually delivered to and held of record by the participant. Except as expressly required by Section 7.1 or otherwise expressly provided by the Administrator, no adjustment will be made for dividends or other rights as a shareholder for which a record date is prior to such date of delivery.

8.9 Governing Law; Construction; Severability.

8.9.1 Choice of Law. This Plan, the awards, all documents evidencing awards and all other related documents shall be governed by, and construed in accordance with the laws of the State of California.

8.9.2 Severability. If a court of competent jurisdiction holds any provision invalid and unenforceable, the remaining provisions of this Plan shall continue in effect.

8.9.3 Plan Construction. It is the intent of the Company that the awards and transactions permitted by awards be interpreted in a manner that, in the case of participants who are or may be subject to Section 16 of the Exchange Act, qualify, to the maximum extent compatible with the express terms of the award, for exemption from matching liability under Rule 16b-3 promulgated under the Exchange Act. Notwithstanding the foregoing, the Company shall have no liability to any participant for Section 16 consequences of awards or events under awards if an award or event does not so qualify.

8.10 Captions. Captions and headings are given to the sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

8.11 Share-Based Awards in Substitution for Share Options or Awards Granted by Other Corporation. Awards may be granted to Eligible Persons in substitution for or in connection with an assumption of employee share options, SARs, restricted shares or other share-based awards granted by other entities to persons who are or who will become Eligible Persons in respect of the Company or one of its Subsidiaries, in connection with a distribution, merger or other reorganization by or with the granting entity or an affiliated entity, or the acquisition by the Company or one of its Subsidiaries, directly or indirectly, of all or a substantial part of the shares or assets of the employing entity. The awards so granted need not comply with other specific terms of this Plan, provided the awards reflect only adjustments giving effect to the assumption or substitution consistent with the conversion applicable to the Ordinary Shares in the transaction and any change in the issuer of the security. Any shares that are delivered and any awards that are granted by, or become obligations of, the Company, as a result of the assumption by the Company of, or in substitution for, outstanding awards previously granted by an acquired company (or previously granted by a predecessor employer (or direct or indirect parent thereof) in the case of persons that become employed by the Company or one of its Subsidiaries in connection with a business or asset acquisition or similar transaction) shall not be counted against the Share Limit or other limits on the number of shares available for issuance under this Plan.
