Fabrinet to Present at Deutsche Bank 2011 Technology Conference

BANGKOK, Sep 06, 2011 (BUSINESS WIRE) --

Fabrinet (NYSE: FN), a provider of precision optical, electro-mechanical and electronic manufacturing services to original equipment manufacturers of complex products, today announced its chief financial officer, Mark Schwartz, will present at the Deutsche Bank 2011 Technology Conference, to be held in Las Vegas, NV.

The Fabrinet presentation is scheduled for Tuesday, September 13, 2011 at 11:00 am PT. A live webcast, as well as a replay, will be available at investor.fabrinet.com.

About Fabrinet

Fabrinet provides precision optical, electro-mechanical and electronic manufacturing services to original equipment manufacturers of complex products, such as optical communication components, modules and sub-systems, industrial lasers and sensors. Fabrinet offers a broad range of advanced optical and electro-mechanical capabilities across the entire manufacturing process, including process design and engineering, supply chain management, manufacturing, final assembly and test. Fabrinet focuses on production of high complexity products in any mix and any volume. Fabrinet maintains engineering and manufacturing resources and facilities in Thailand, the People's Republic of China and the United States. For more information visit: www.fabrinet.com.
