Fabrinet to Present at the Stifel Nicolaus Technology, Communications & Internet Conference

BANGKOK, Jan 27, 2011 (BUSINESS WIRE) --

Fabrinet (NYSE: FN), a provider of precision optical, electro-mechanical and electronic manufacturing services to original equipment manufacturers of complex products, today announced its chief financial officer, Mark Schwartz, will present at the Stifel Nicolaus Technology, Communications & Internet Conference, to be held in San Francisco, February 9-11, 2011.

The Fabrinet presentation is scheduled for Friday, February 11, 2011 at 9:10 am PT. A live webcast, as well as a replay, will be available at <http://investor.fabrinet.com>.

About Fabrinet

Fabrinet provides precision optical, electro-mechanical and electronic manufacturing services to original equipment manufacturers of complex products, such as optical communication components, modules and sub-systems, industrial lasers and sensors. Fabrinet offers a broad range of advanced optical and electro-mechanical capabilities across the entire manufacturing process, including process design and engineering, supply chain management, manufacturing, final assembly and test. Fabrinet focuses on production of high complexity products in any mix and any volume. Fabrinet maintains engineering and manufacturing resources and facilities in Thailand, China and the United States. For more information visit: www.fabrinet.com.
